Goes to Town Alone First Time in Months

MRS. ALICE BRADLEY

"I don't know what there is in Sargon, but it's the most wonderful medicine I ever took in my life! Today is the first time I've been able to come down town alone in six months and it is due to the wonderful strengthening effects of this remarkable medicine! For months my nerves were upset and I was so rundown that I was unable to do any housework, and hardly able to get out of the house. I was so weak I spent most of my time in bed. My appetite was poor, the lightest foods disagreed with me and I suffered continually with chronic constipation. I am on my fourth bottle of Sargon, my appetite is splendid, my digestion is perfect, I'm strong and energetic, my nerves are strengthened and my housework is really a pleasure. Sargon Pills have rid me of constipation for the first time in years."—Mrs. Alice Bradley, 855 Capp St., San Francisco. S. R. Biggs Drug Co., agents.—adv.

Since then medical science has been producing better and better antiseptics, to kill those germs that may enter the smallest cut and give us diseases such as typhoid, tuberculosis and lockjaw. Now, all you have to do to be sure that these dreadful germs will not infect a wound, is to wash that wound, however small, thoroughly with Liquid Borosone, the modern antiseptic. WEAK, NERVOUS Mississippi Lady Says She Felt Stronger, Better After Taking Cardui. Greenwood, Miss.—Mrs. W. D. Taylor, of 1313 Carrollton Avenue, this city, has written of her use of Cardui as follows: "About five years ago, I was in ill health. I suffered a great deal of pain in my sides and in the lower part of my body. I was weak and nervous, and at the least noise I felt like I must scream. "At times I would have to go to bed." My head would ache. It would take me three or four days to get over these spells. "A friend told me to take Cardui, which I did. After my first bottle, I saw some improvement. When I had taken three bottles, I felt stronger and better than I had in some time. I did not have any more of those bad spells. "I certainly recommend Cardui." Thousands of other women recommend Cardui, after having found it of valuable assistance to them in building up their health. Cardui is a purely vegetable medicine, and contains nothing harmful. The medicinal value of the herbs from which Cardui is extracted have been well-known in the history of medicine for more than six hundred years. Try it for your troubles.
