"TRY CARDUI AGAIN"

Mother's Advice to Daughter Was Followed, and She Soon Got Better.

North Little Rock, Ark.—"Shortly after my marriage, my health wasn't very good," writes Mrs. W. E. Burgh, 215 West Second Street, this city. "I had severe cramping spells, and at times I would have to go to bed. This would be very weakening. I took about five bottles of Cardui at this time and my strength came back. I did not have any more trouble for some time."

Several years later, Mrs. Burgh found herself debilitated by heavy home responsibilities, and she explains: "I seemed very slow in getting my strength back. I was too weak to do anything but just lie around. I would get very nervous over my condition."

"My mother told me I ought to try Cardui again. I did, and soon was getting better. When I had taken about four bottles of Cardui, I was able to do my work again, and haven't had to take it any more."

If you are run-down, nervous, or suffer every month, take Cardui, a medicine used by women for over fifty years. As your health improves, you will share the enthusiasm of thousands of others who have praised Cardui for the benefits they have felt after taking it. Get a bottle, today. NC-228

AN ADVERTISEMENT ADDRESSED TO JOHN K. HUSBAND - - COMPTROLLER OF CURRENCY--CHIEF PURCHASING AGENT AND OWNER OF THE CHECK-SIGNING FRANCHISE IN THE HOMES. So she is needlessly confined to her kitchen several hours each day; some meals are good and some not so good. The drudgery of preparing 275 meals each year on an old-fashioned stove is costing her beauty; she is not happy. We seek, therefore, to talk over this electric range question with this husband, as man to man. We ask him if his wife would not appreciate the freedom from her kitchen which an automatic electric range will bring. We ask him if she would not appreciate the cleanliness of electric cooking - - - no smoke, soot or odor and no blackened pots and pans to scour. We ask him if he wouldn't enjoy consistently delicious meals which electric cooking brings. We ask him if he wouldn't enjoy the time saved by an electrically-cooked breakfast every morning. We ask him if these, and many more, advantages are not worth a few cents a day. We ask him if The Little Woman doesn't deserve the comforts and convenience of electric cooking, especially when the operating cost is so low and our Special Payment Plan makes buying really easy. With that husband we know, we rest our case. DEAR SIR: We are thinking of a certain husband we know - - - in writing this advertisement. He loves his wife. He loves his home. He is considerate. But sometimes, even as you and I, he misses a bet which he ought to cover. Ever since the honeymoon, his wife has realized her need for an electric range. But this need, so important to her, has never been driven home to him. SEE YOUR ELECTRICAL DEALER OR VIRGINIA ELECTRIC AND POWER COMPANY

YOUR WATER WILL ABSOLUTELY BE CUT OFF Unless Paid by the 16th of Each Month. In recent months, the town water department has been, more or less, a collecting agency in an attempt to get all water accounts settled promptly. This has been an added expense to the town; and, realizing that when once an accommodation is extended, they are expected ever after, a strict rule will be enforced. TOWN OF WILLIAMSTON
