An Unpleasant Subject

All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that pure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from Clark's Drug Store.

Government Report for 1929

The report of the Government for the year 1929 showed that the Greenville Tobacco Market (with the most inferior crop ever grown in its territory) made an average higher than the general average for the entire State.

Will Continue to Grow

Greenville tobacco market will continue to grow because important Tobacco Buying Companies in this country and abroad are represented on our market. It will be interesting to compare the investment made on other markets with the investment in equipment on the Greenville market. Every year additional thousands of dollars are expended enlarging this market's facilities.
