How Old Are You?

TODAY SAID SHE—I'M **43**

Am I Fat?—Not Me

Yes! A year ago I had twenty-two more pounds of fat than I needed—I was fat—and very sensitive about it—but now I say it is foolish for any one to be overweight.

What did I do? Nothing very hard, I can assure you—I cut out pie-candy and all sweets—ate moderately and every morning before breakfast I took one-half teaspoonful of Kruschen Salts in a glass of hot water—never misses a morning.

I lost fat—gained in energy—vigor—charm—and vivaciousness and have a shapely figure I am proud of—any one can do the same.

A North Carolina woman lost 47 pounds in 3 months—a Montana woman lost 19 pounds in 4 weeks—Wisconsin woman 11 pounds in 6 weeks—Clark's Drug Store and every druggist in the world sells Kruschen Salts—a bottle that lasts 4 weeks costs 85 cents.

102 chains back to the highway; thence therewith north 80 1-2 degrees east 124 chains; thence south 86 east, 26 chains to the beginning, containing 226 acres, more or less, by survey of J. R. Mobley, made February 25, 1928, being the same land described in deed from Oxford Ophanage to Nettie Cowen, recorded in book Z-2, at page 211. The successful bidder at this sale will be required to deposit with the trustee the sum equal to 25 per cent of the amount paid. Dated this 13th day of September, 1930. WHEELER MARTIN, Trustee.

NOTICE OF SALE

Under and by virtue of the authority in me vested to advertise and make sale, in that certain deed of trust executed on the 16th day of December, 1929, by J. F. Power and wife, B. A. Fowler, which deed of trust is duly recorded in the Martin County record in book S-2, at page 318. The terms of said deed of trust not having been complied with, and at the request of the holder of the notes secured thereby, I will offer for sale at public auction, to the highest bidder, for cash, at the courthouse door of Martin County, on Saturday, the 25th day of October, 1930, at 12 o'clock m., the following lot or parcel of land: Beginning at the highway running north with J. F. Barnhill's land to the A. C. L. railroad; thence with the railroad westerly to the Purvis heirs' corner, thence south with the Purvis heirs' line and the Harry Everett land to the highway; thence east with the highway to Barnhill's corner, the beginning, containing by estimation 1-2 acres and being the same land that J. S. Ayers bought from Harry Everett, and for further description, i. e., being the present homestead of A. G. Wynne. This September 24, 1930. C. B. CLARK, Trustee.

SIDE AND BACK

Lady Had Suffered So Much Pain Was Almost Desperate. Says Cardui Helped Her.

Denison, Texas.—"Before I took Cardui, it seemed like I had tried everything, for my health was wretched," writes Mrs. Nannie Davis, of 418 W. Woodard Street, this city. "I was in bed most of the time," explains Mrs. Davis, "suffering so much with pain in my side and back, and weakness. I was so discouraged, I was almost desperate. I knew there ought to be something to reach my case. I only weighed about 110 pounds. My eyes were hollow and I looked awfully bad. "A good friend told me about Cardui. After taking my first bottle, I felt better, but I kept it up until I had taken four bottles, and now I am well, have no pain in my side or back, and feel like a new woman. I can work most of the time, and feel fine. "For three years, I have been free from pain. That is why I recommend Cardui." If you are run-down, nervous, or suffer every month, take Cardui, a medicine used by women for over fifty years. As your health improves you will share the enthusiasm of thousands of others who have praised Cardui for the benefits they have felt after taking it.
