

COTTON CO-OPS ADVANCE 90 PER CENT OF VALUE

New Plan of Making Advances Announced By U. B. Blalock

"The North Carolina Cotton Growers Cooperative Association will continue to advance approximately 90 per cent of the value of cotton on the present market," announced Vice President and General Manager U. B. Blalock recently.

"On account of the increasing percentage of lower grades and some gin cuts we find it necessary to allow the members to draw only 8 cents per pound on seasonal pool cotton and 7 cents per pound on optional pool in order to avoid overdrafts from some of our members. As soon as the cotton is classed additional checks will be mailed out on seasonal pool cotton to bring it up to approximately 90 per cent of the average price being paid on local markets.

"We fully realize that the producer needs all the money he can command right now, and it will be our purpose to mail out checks once a week covering these additional advances and will only be prevented in doing so on account of the exceedingly heavy receipts just at this time. In making up these checks, the average values for the week covering these deliveries will be used.

"These checks will also carry the amount due on each bale for grades and staples better than middling 7-8. As an illustration, this means that if the 90 per cent average market value for the week entitles the member to it he will be given his additional one cent per pound; and if his bale should grade

strict middling, one inch staple, he will be entitled to draw 25 points for grade better than middling and 70 points more on account of the extra staple, making a total advance he would be entitled to of 9:95 on strict middling inch cotton.

"On September 1st we announced to the cotton producers that we were advancing 9 cents per pound, but that our advance for this season would be on a percentage basis, and therefore subject to the rise and fall of the market.

Any further advances on optional pool cotton will depend upon the value of the cotton after it is classed, and the stability of the market. In order to avoid calling for margins on declines we must start with sufficient margin.

Lindsay C. Warren (democrat), of Washington, N. C., is the only candidate whose name appears on the ballot for member of congress from the first North Carolina district, which embraces this county.

N. C. EDUCATION WEEK NOV. 10-16

Raleigh, Oct. 16.—American Education week in North Carolina schools will be observed this year November 10 to 16, inclusive, it is learned today from the office of the State Superintendent of Public Instruction.

This is the tenth annual observance of this week throughout the nation. It is sponsored jointly by the American Legion, the U. S. Office of Education, and the National Education Association. It is the purpose of this annual event to acquaint the public with the aims, achievements, and needs of the schools.

A program for the observance of the week in North Carolina schools is being prepared by the State Department of Public Instruction. This program, it is learned, will emphasize the broader ideal of education as set forth in the seven cardinal objectives of education as defined by the National Education Association: (1) health

CONSTIPATION ILLS

Black-Draught Praised By Illinois Woman Who Tells of Its Many Uses In Her Home.

Cairo, Ill.—"I have used Black-Draught in my home for fifteen years, and it is a splendid medicine," writes Mrs. Bernice Brack, of 230 Thirty-second Street, this city. "Sometimes I am subject to colds and constipation, and I find it to be the finest thing for this."

"My mother used Theford's Black-Draught in her home for years, and it was there that I began taking it. She thought it was so good that she had me to use it, and I have never found any medicine that would take its place satisfactorily. "I find Black-Draught fine for sour stomach and gas. A few doses taken for several nights rid the system of poison due to constipation and it makes me feel like a new person. "I try to keep Black-Draught always on hand, and I treat all small illnesses with it. I can certainly recommend it for I have found it very good and dependable."

In thousands of families, this medicine has a corner all its own on the medicine shelf. Theford's Black-Draught contains no chemicals. Composed of pure botanical roots and herbs. Get the genuine Theford's Black-Draught which has been in use nearly 100 years.
