

MAN KILLED BY HIT-RUN DRIVER

(Continued from page one)

tioned, stated that a man, later identified as Brazil, drove a half-ton truck to his station and asked for water to fill the radiator. As fast as Mr. Gurkin poured in water it ran out. Examining the radiator, he found a hole in it about the size of his fist, and Brazil when asked about the hole, stated that he had bumped into something. "I repaired it the best I could and poured meal and water into the radiator," Mr. Gurkin said. The witness added that one light had been broken entirely out and the other one had badly cracked, that both were out of shape.

Chief W. B. Daniel, taking his place before the jury, stated that he arrested Brazil, described as drunk at the time, and found two bottles in the car, that the owner refused to let anyone go to the car, and that he made the arrest over protest. Mr. Daniel stated that he made a careful examination of the car's condition, but found no broken glass at that place.

The jury, rendering its verdict, stated that the deceased, in their opinion, came to his death by being hit by a car driven by W. W. Brazil. Sheriff Roebuck who was holding Brazil in connection with driving a care while drunk and running into a Sunday school bus, turned the prisoner over to Sheriff Cooper, of Bertie, to face the greater charge.

Brazil, when questioned Saturday night shortly after his wreck near the Taylor home on the Washington road, stated that he left Rocky Mount that morning for Weldon and Rich Square. From Rich Square he drove 12 miles into the country to collect a bill due the National Sewing Machine company. Later in the day, he drove to Aulander and then on to and through Windsor. When the radiator was mentioned, he said that it was damaged as a result of a freeze several days before. He denied that having seen a man pushing a wheelbarrow or hand cart along the highway.

The wreck was described by officers as the most complete they had seen in some time. Schlön's small cart was completely demolished, and his little cooking outfit with a small quantity of bread and other food was found scattered to the four winds. About \$8 in cash, a bill from a Philadelphia house dated August 30 for a brocolan wheel to Charles Scholl, of Philadelphia, and a small cross attached to a short chain were found on his person.

THIRTEEN CASES HEARD BY COURT

(continued from front page)

The case charging Henry Price with assault, was not prosessed.

Found guilty of an assault by the jury, Edgar Edmondson was sentenced to the county jail for 30 days.

The case charging Johnson Corey with driving an automobile while intoxicated, was continued.

Charged with being drunk and disorderly, Oscar Jones was found not guilty.

The last case during the day was that of John Bond, the jury, after deliberating as to the man's guilt, found him guilty. The judge had cleared the court for the day, and sentence was not pronounced until this morning, Judge Cranmer sending him to the roads for six months.

Today's Proceedings

Opening the morning session by introducing the Alexander Taylor assault case, the court found the aged man of shooting Lin Williams several times with a gun, and sentenced him to four years in prison. The prison sentence is to be remitted, however, if Taylor pays Williams the sum of \$1000.

The peanut stealing case involving E. G. Edwards and his son, Benjamin Drew and Hines, was next called.

Local Fire Company Called Out Saturday

The local fire company was called out last Saturday when some one, seeing a volume of smoke pouring over the roof of the Williamston Cafe and thinking the building was burning, sounded the fire siren. Investigating the source of the smoke, firemen found that it was pouring from a coal stove in the shoe shop. The name of the person turning in the alarm was not disclosed.

Rain had fallen during the afternoon and the heavy atmosphere crowded the smoke to the building, roof making it appear as if the structure was a fire.

SOUR STOMACH

Gas Formed, Head Hurt, and Woman Had To Hold To Things When She Walked.

Kaufman, Texas.—"Two years ago, I began suffering with spells of indigestion," says Mrs. Marshall Smith, of this place. "It seemed like everything I ate disagreed with me. I had gas on the stomach, and often my head would hurt so bad I had to lie down. 'Everything would get black before my eyes, and I would be so dizzy when I would get upon my feet that I had to hold on to things, to walk around the room. 'My food soured on my stomach, and I was constipated. 'I had often read about Black-Draught, and my mother told me it was a good medicine to take, and so I began a course of it. 'It was not long until I was feeling better. I took a pinch after meals, and I soon found I was suffering much less. It relieved constipation, and I was not any longer troubled with indigestion. 'We try to keep it in the house, and I use Black-Draught now, whenever I feel a sick headache coming on. It is a fine medicine.' 'Thedford's Black-Draught is prepared from medicinal roots and herbs of highest quality, finely powdered, carefully combined and packed by automatic machinery. 66-222

More powerful than any gasoline

Fire Chief J. R. Sorsby, of the Rocky Mount, N. C., Fire Dept.

"ESSO, beyond a doubt, is the Motor Fuel for fire equipment, ready at the sound of the gong to respond to the speed which is necessary to keep our low percentage of fire loss at a very proud mark, regardless of weather conditions.

"For power, ESSO speaks for itself. On a recent test ESSO pumped more gallons of water per minute than any other fuel tested, and I do not hesitate to say that the fouling of spark plugs in our equipment is a thing of the past since the Giant Power Fuel has been in use.

"As a motor fuel for future service, I hereby present my endorsement for ESSO, exclusively, one hundred per cent."
