**Doctors Disagree**  
When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from

**How One Woman Lost 102 Lbs. of Fat**

**Almost Unbelievable—Nevertheless True**

Dear Friends:  
You advertise Kruschen Salts for reducing, so I finally tried them and when I started I weighed 219 pounds and when I took them for a year and 3 weeks, I lost exactly 102 pounds.  
I am 23 years old and I look at least 5 years younger now than I did when I was fat. I have a picture of myself before and after, so if you want to see them let me know.  
I am always telling my friends about the wonderful salts. I am always advertising them.  
I took 2 bottles every month for a year and 3 weeks. It amounted to \$25 for reducing 102 pounds but it was worth it.  
If I can be of any help to you let me know.  
Your truly, Miss Nellie Simpson, 1903 Wayne Street, Swagsville, Pa., Oct. 31, 1930.

**Just Like An Ostrich**

A medical authority says that a person who tries to cover up skin blemishes and pimples with toilet creams and powders is just as foolish as an ostrich that buries its head in the sand to avoid danger. Skin eruptions are nature's warning that constipation is throwing poisons into your blood stream and weakening your whole constitution. Remove the constipated condition and you will strengthen your system, against disease, clear up your disfigured skin. The best way to do this is with a course of Herbine, the vegetable medicine that acts naturally and easily, which you can get at
