FARM NOTES

The Tennessee 76 variety of lespezea leads all other varieties for hay in demonstrations conducted in Wilson County this year, reports W. L. Adams, farm agent.

Only About Half of Those Eligible Vote In Elections

Washington, Sept. 23.—Only about one-half of the people eligible to vote in the United States go to the ballot box in a presidential election.

Of the 72,943,624 persons over 21 listed by the census bureau today for 1930, a total of 36,789,669 balloted for Hoover and Smith and three other candidates three years ago.

The 1928 election, however, brought the largest popular vote in the nation's history, and for that year the percentage was probably a little more than 50 per cent since the eligibles were fewer than the census figures indicated today.

All of the 72,943,624 are not eligible to vote, several millions being un-naturalized.

The 1930 total over 21 years of age was an increase of 19.8 per cent over 1920. Men of voting age exceeded women in 1930 by only 1,169,890, number being 37,056,757, compared with 35,886,867 women.

Of the total, 72.3 per cent were native white; 17.3 per cent foreign born white; 9 per cent Negro.

FENNER'S WAREHOUSE :: Rocky Mount, N. C.

breaks season's record by selling on Monday 222,762-pounds of tobacco for \$25,940.45, at an average of \$11.64 per hundred pounds, which is the highest average made so far in Eastern North Carolina this season, considering the number of pounds. Rocky Mount led all markets in the state with the highest average last year, and it is keeping up its reputation by being the highest market in the state this season.

A sale with FENNER in Rocky Mount means the State's highest market price with cordiality, courtesy and accommodations unexcelled by any warehouse on any market. By operating two (2) houses, known as FENNER'S WAREHOUSE NO. 1 and NO. 2, I get three (3) first sales each week and some weeks (4). I have first sale Friday of this week and first sale: Tuesday, Wednesday, and Friday next week.

Yours to Serve -- Fenner's Warehouse -- W. E. Fenner, Owner and Proprietor

Highway's No. 90 and 40 lead into Rocky Mount from North, East, South, and West, giving you good roads to travel over from any direction you may come.

With eight (8) tobacco factories in Rocky Mount give plenty of room to take care of all tobacco sold here and more when it comes—Three (3) sets of buyers complete the sales in all warehouses practically every day. Good grades are selling better, some of the most desirable ones are bringing \$40.00 per hundred pounds or more.

Make Rocky Mount your market and FENNER'S WAREHOUSE your selling place, and you will appreciate the extra dollars you will receive. You will not be a stranger in FENNER'S WAREHOUSE, for it is home for every one who comes here. Sell your next load with FENNER, and be convinced it pays to sell with a warehouseman who sells your tobacco and does not just stand by and see it sold.
