JOSEPH W. WARD DIES AT HOME IN FLAT SWAMP

Born in This County in 1846
—Served in Army of Confederacy

Joseph W. Ward, Martin County native and a Civil War veteran, died at his home near Flat Swamp church, just across the line in Pitt County last Monday morning in his 86th year. He had been in declining health for several years, the end coming gradually.

Funeral services were held at the late home Tuesday afternoon by Elders John Rogerson and B. S. Cowin, assisted by the Methodist minister of Bethel. Interment was in the family burial ground.

He is survived by seven children, Mrs. Heber Williams, of Greenville; Mrs. Ed Andrews, Misses Nellie, Annie, and Bertie Ward, and Mr. Luke Ward, of Flat Swamp, and Mr. James Ward, of Ayden.

Mr. Ward was born in Williams Township, this county, in December, 1846. At the age of 17, or four years before he was old enough to vote, he joined Captain John Ashley Manning's company in the Seventieth Regiment of Junior Reserves under Colonel Armistead. While he never engaged in an actual gun battle, Mr. Ward did duty around Garysburg until the late fall of 1864, when he started on the long tramp with his command to the battle fields of Virginia. Rheumatism checked his activities, and he was forced to resign his place in the ranks when he reached Belfield.

At the close of the struggle, he started the homeward journey, as did hundreds of his comrades, afoot and broke. He settled down on the farm and for a number of years farmed and did a general carpenter work. He later moved to Pitt County, just across the line, and while he resided in the neighboring district a number of years he always maintained he was strictly a Martin County man.

Local Firemen Entertain with Fish Stew at River

Members of the local fire company entertained their wives, sweethearts and special friends at a fish stew at the river last night, more than a hundred enjoying the food deliciously prepared by Chief Cook Will Baker.

SCHOOL NEWS OF OAK CITY

Oroganization There Makes Plans for Canning for Lunch Next Term

Oak City, April 28.—(Special to the Enterprise).—The special meeting of the Oak City Parent-Teacher Association was held last Tuesday afternoon at 2 o'clock in the home economics room of the school building. The object of the meeting was to discuss and make plans for canning vegetables and fruit for the use of the hot lunch club next school term.

The meeting was called to order by the president, Mrs. E. K. Harrell. Principal H. M. Ainsley suggested that definite plans be made and a date set for the first canning day. The following committee was appointed to take charge of the different sections of the community: Mrs. H. M. Ainsley, Mrs. Donald Hyman, Mrs. Oscar Council, Mrs. W. B. Bennett, Miss Hattie Everett, Mrs. John Bellflower and Mrs. Joe Harris. Many interesting and useful suggestions were made and June 10th was set for the first meeting of the canning club. The association showed a splendid attitude of cooperation and a large number of local parents was present. About fifty parents were present besides the teachers. Glad to note that two fathers attended the meeting. Before the closing of the business session a rising vote of thanks was extended to Mrs. Harrell, president and Miss Julia Holloway, secretary, for their splendid service during the past year. The refreshment committee served iced lemonade and wafers. The meeting was the best business session of the year. Parents visited the different classrooms and noted with many kind remarks the progress their children had made during the school year.

The senior class is presenting to the school a splendid collection for the home economics department consisting of a 64-piece china set and other parts making a very economical and serviceable gift. This will be presented on the night of the class exercises.

Miss Zetterower, English and French teacher in the local school, has accepted a position as assistant dietitian for the "All Western Tour" sponsored by the University of North Carolina, a 65-day trip starting from Charlotte, through most of the western states. Miss Zetterower is planning a three-hour course on this tour.

The local school has made a very good record for the past year which is nearing a close. Principal H. M. Ainsley has been active in all school activities and holds a high record as a school man. He is re-elected for the tenth successive school year of 1932-1933.

Superintendent James C. Manning was a visitor at the school Wednesday and spoke to the truck drivers. His encouraging and complimentary remarks regarding the truck drivers' attitude and cooperation was appreciated and some timely remarks in appreciation of the help that Superintendent Manning had offered them in the meeting at Williamston also the promptness in receiving their pay
