I assure the voters of Martin County that any support accorded me in the coming primary and election will be sincerely appreciated. In the past I have willingly and untiringly always worked in the interest of our county and its 23,400 people, and if nominated and elected I pledge my continued and earnest efforts in their behalf.  
 T. C. GRIFFIN.

 I hereby announce my candidacy for the office of Register of Deeds of Martin County, subject to the Democratic primary to be held June 4, 1932. If nominated and elected, I promise

to render the service required and effect any saving in the office that I can. I believe the taxpayers are justified in wanting the cost for service in this and other offices of the county reduced.

The salary, being fixed by the legislature, will require another act to change it, which I will request at the next session. Until it is changed, and while the taxpayers' income is so greatly reduced and the income from the farms, of which our county is largely composed, is so low, and while poverty and unemployment exist to the extent that it does now, I will donate one-third of the salary to the poor and unfortunate people of the county.
