Miscellaneous Shower

A social event of unusual interest was a miscellaneous bridge shower given at the apartment of Mrs. G. L. Andrews on Monday night, honoring Mrs. J. D. Page, a bride of September. After the guests ascended the ivy and ribbon-covered stairway they

found their places by place cards. The table of the honoree was arranged with a large wedding bell hanging above with tapering crepe paper. After each guest was placed, the hostess, assisted by guests not playing, served a sweet course. Just before progressions began, Miss Lucille Cox was faintly heard singing "The Sweetest Story Ever Told," as she came up the stairway to stand beside the bride. At that time, as the guests' attention was on the honor guest, little Grace and Wallace Roberson, twins of Mr. and Mrs. O. P. Roberson, dressed as a bride and groom, presented Mrs. Page with two daintily arranged boxes topped with a miniature bride and groom. The shower being a complete surprise to the bride gave an intense interest to the guests.

After adding the six progressions, Miss Magalene Everette was presented with an odd piece of pottery for high score and Mrs. J. E. Ward received a smaller piece for consolation. The honoree was also remembered with an attractive Madiera set.

How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luedeke, of Dayton, writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and can not say too much to recommend it." To take off fat easily, SAFELY and HARMLESSLY—take one-half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast, go lighter on fatty meats, potatoes, butter, cream, and pastries—it is the safe way to lose unsightly fat and one bottle that lasts 4 weeks costs but a trifle. Get it at Clark's Drug Store, Inc., or any drug store in America. If this first bottle fails to convince you this is the safest way to lose fat—money back. But be sure and get Kruschen. Salts—imitations are numerous and you must safeguard your health.
