Musicomedy Revue At Washington Next Week

For the first time in several years a musical comedy revue will be presented at the Turnage Theatre in Washington, when Jimmie Hodges' "Broadway Revue" will be the center of attraction at the Turnage Theatre Monday, Tuesday, and Wednesday of next week, November 7, 8, and 9.

The Jimmie Hodges' Revue will play there three days with a complete change of program for Wednesday. The "Broadway Revue" recently closed a 7-weeks engagement at Norfolk. Theatregoers of the musical comedy days at Washington will remember the famous stage successes presented there by Jimmie Hodges. This time, however, Hodges himself will be the headlined star. Heretofore Hodges has only made personal appearances in the key theatrical cities.

How Modern Women Lose Pounds of Fat Swiftly--Safely

Gain Physical Vigor — Youthfulness With Clear Skin and Vision — Eyes That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one-half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Get a bottle of Kruschen Salts—the cost is trifling, and it lasts 4 weeks. If even this first bottle doesn't convince you this is the easiest, safest, and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drug store in the world.

FOR THE Good OF YOUR CAR

# SAY "YES"

when he asks to drain summer-worn oil

Your car represents an investment worth protecting. Proper lubrication, at the right time, more than any other single factor can insure it against premature wear and a host of other engine diseases are the inevitable results of imperfect lubrication. So we repeat: Say "Yes" when the Texaco man reminds you to drain summer-worn oil. Fill with the proper grade of "Crack-proof" Texaco—the golden oil that flows freely at zero or below. Ten minutes at the most, and you'll be on your way. Then your car will indeed be ready today for tomorrow's colder weather.
