ADJUSTMENT ACT GIVES MILLIONS TO COTTON BELT

Two Plans Are Advanced For Relief Of The Cotton Farmer

Washington, June 15.—Administration plans for applying the farm adjustment act contemplate paying farmers who co-operate in the program bonuses and rentals for cotton and wheat acreage reduction of more than \$150,000,000 in the next four months.

It was said authoritatively that designers of the program hope that the payments will aid in stimulating business recovery in the two crop belts in addition to reducing output of the commodities.

Meanwhile, administrators of the farm act studied closely the market reception of news of Secretary Wallace's plans to levy maximum processing taxes on both cotton and wheat to finance acreage reduction.

Wallace firmly refused any comment upon the market's reaction, which resulted in a drop in wheat prices earlier in the day, most of which was later recovered, and a fall of about \$2 a bale in the price of cotton.

It was reported that his concern is centered on the effect on long-range prices, which he expects to improve greatly when his plans have been given an opportunity to operate for some time.

Under the other, the planter would be paid \$6 for each acre taken out of production and would have, in addition, the right to obtain options on 2,500,000 bales of government cotton at 5 cents a pound, each planter to be limited to an amount equal to one bale for each three acres of land taken out of production.

CALL FIREMEN OUT TUESDAY

Little Damage Done When Fire Burns Hole in Floor of Old Buggy Shop

The local fire company received its first call in more than a month shortly after 9 o'clock last Tuesday night, when fire was discovered in the forge room of the Blount Manufacturing Company on Smithwick Street here.

The fire had burned a small portion of the floor when neighbors discovered it, but the flames had gained so little headway that no apparatus was needed to bring them under control.

Workmen left the forge room that afternoon about 4 o'clock, and the fire was not discovered until about five hours later, causing some to believe that the blaze did not start from the red-hot iron dropped on the floor or embers from the furnace.

Large Numbers Attending Bible School at Bear Grass

Beginning last Monday with an enrollment of 70, the Daily Vacation Bible School at Bear Grass got off to a splendid start. Each day during the week 65 or more boys and girls between the ages of 3 and 15 have been spending two and a half hours studying the Bible, singing songs, and playing games.

The school is divided into four departments, the beginners, primaries, juniors, and intermediates. The beginners are taught by Mrs. Knezer Harrison and Mrs. Roswell Rogers. The primaries by Miss Louise Rogerson and Mrs. Lloyd Cowin. The juniors by Herman Rogers and Z. T. Piephoff. The intermediates by J. Layton Mauze. Miss Ruth Hazel Rogers is the pianist and Mrs. Bunn Cowin assists in caring for the children.

The school will continue throughout next week and will come to a close on Friday night at 8 p. m., at which time the commencement exercises will be given.

Williamston Stores To Close Each Wednesday Afternoon

Beginning with next Wednesday, June 21, all local stores and business houses will observe each Wednesday afternoon through August 16 as a half holiday, the action being agreed upon following the circulation of a petition. Twenty-eight firms agreed to close their places of business each Wednesday afternoon at 1 o'clock.

The attention of patrons is called to the half holiday, and they are cordially invited to help make the practice successful. Early shopping Wednesday morning will cause no one any inconvenience and will also those sponsoring the half holidays.

MAY WAGE WAR AGAINST FLIES

Woman's Club To Hold a Meeting Next Friday Morning at 11:30

The drive for more sanitary conditions here will be pushed by committees of the local Woman's Club this summer, it was indicated in an announcement released yesterday. Although the club will suspend its regular meetings in July and a part of August, its committees, especially the one having to do with town improvements, will continue to function throughout the summer, it was stated.

Already requests have been made to the club, urging it to become actively interested in cleaning up things, getting rid of flies and probably pushing the enforcement of sanitary laws in general. While the activities of the committees were not definitely outlined, it is believed the club will seek the removal of all pigs and cows from within the town limits.

The club will hold a meeting in the club hall next Friday morning at 11:30 o'clock, followed by a luncheon for announcement made yesterday. Although club members served by the ladies of the Episcopal church.

During the summer months, the several church societies or organizations will have charge of the regular Kiwanis luncheons, it was said.

TOBACCO CROP IS IN NEED OF RAIN

Farmers Dust Plants Late at Night In Effort To Kill Worms

It was generally agreed in numerous reports received here this week that the tobacco crop is in need of rain in this section, that no serious damage has resulted so far, but that the dry weather is beginning to affect the crop.

The horn worm, common in tobacco hardly before the latter part of July or early August, is present already in great numbers, the reports stated. Many farmers are using the arsenate of lead preparation in combating the horn and bud worms. During the past few nights, farmers have operated dusting machines late into the night in an effort to kill the worms.

Several farmers are understood to be about ready to start harvesting the crop, but those cases are comparatively few just at this time. A few may start curing next week, however.

Baptists To Hold State Assembly at Manteo

The Baptist assembly and chautauqua begins at Manteo on Sunday, and goes on through Friday. There will be special rates for guests, bridge toll concessions, ample time for bathing on the beach at Nags Head, and fishing in the waters surrounding Roanoke Island.

The assembly offers a splendid combination of vacation and light class-work, plus several days in the historic surroundings of that section, including Roanoke Island, Nags Head, Kill Devil Hill, and the Wright Memorial, recently unveiled. And it may be said these attractions at this time are by no means limited to the Baptists. Any one will be welcomed.

LONG SESSON COUNTY COURT HELD TUESDAY

Several Defendants Fail To Appear On Account of Sudden Illness

Judge H. O. Peel and Solicitor W. H. Coburn held an unusually long session of the county recorder's court last Tuesday, completing the docket about 3:45 that afternoon. Fines amounting to approximately \$75 were ordered paid, and one or two defendants were sent to the roads.

The feature of the court activities were doctors' certificates declaring certain defendants "very, very ill" that day. The judge accepted the certificates without argument, and the truth of it is the defendants will escape Judge R. Hunt Parker and his superior court next week. Not all of the cases were continued on account of illness.

The first case out of the box, the one charging Oliver Gilliam with reckless driving, was continued two weeks.

Charged with temporary larceny, J. A. Ross was found not guilty. In a second case charging him with an assault, the defendant was fined \$15 and taxed with the costs.

Raymond Heath was fined \$25 and taxed with the costs in the case charging him with violating the liquor laws. Kader Gardner was found not guilty in the case.

Douglas Edwards, the self-styled colored doctor alleged to have practiced medicine without license, had his case continued by prayer for judgment.

Edwards is said to have been in trouble in connection with similar cases before, and it is also said that one, and probably more, of his patients died rather mysteriously. The man, however, has been of much value to the welfare department in taking several colored children, all but naked, off the relief agency.

Albert Jones was found not guilty in the case charging him with an assault with a deadly weapon.

Clara Ann Staton, charged with an assault with a deadly weapon, was found not guilty.

The case charging Jodie Beach with an assault with a deadly weapon, was sent to the juvenile court for consideration as the defendant was a minor.

Two cases against J. R. Bunting, one charging him with an assault with a deadly weapon and the other with carrying a concealed weapon, were continued two weeks.

J. D. Reddick, charged with an assault with a deadly weapon, was given until October 3 to pay the \$25 fine imposed upon him by the court on May 23. Fannie Ruffin, fined \$10 on a similar charge on the same date, was given until June 27 to pay the amount.

Augustus Turner was sentenced to the roads for a period of four months when he was found guilty of assaulting a female.

The case charging Mark Pearce with larceny and receiving was not prosed.

The case charging Charles Simpson with violating the liquor laws and one charging Enoch Peel with bastardy, were continued two weeks.

The court held its first session in two weeks last Tuesday, the delay partly accounting for the large number of cases on docket for trial. No session of the court will be held next Tuesday as Judge Parker will be presiding at the regular term of superior court at that time.

Three Martin Boys Return from Reforestation Camps

Indirect reports received here this week indicate that the 30 or more Martin County boys in the reforestation camp near Bryson City are getting along unusually well. Some of the boys were said to be advancing rapidly in the work and were having the time of their lives. A scarcity of cigarettes was reported among some of the forestry workers.

So far only three boys from this county, Jim Staton Godard, Walter Jones, and Harry Barber, are said to have returned home from the camp.

Guardians Prepare Their Accounts for Inspection

Remembering that Judge R. Hunt Parker ordered an investigation of all guardians' accounts in the county and that he will return next week to inspect the reports, guardians have and still are visiting the clerk of court's office here to put their houses in order before the judge reaches here next week.

No details on the accounts have been released, but it is generally believed that many instructions given in last wills and testaments have failed of their purpose for one cause or another.

Immunization Drive Will Be Started in County Monday

MARTINS DROP FIRST GAME TO EDENTON

"Country" Davis and His Aggregation To Play Here Tuesday

After winning five and tying one, the Williamston baseball nine yesterday lost its first game of the season to Edenton by a score of 10 to 5 at Edenton. Cherry, pitching for the Martins, allowed 14 hits, but his teammates nearly offset the count with 13 hits, including a home run by Uzzle in the second inning.

Williamston led with two runs up to the fifth, when the Colonials made three hits, including a three-bagger and a home run, to score 5 runs. The Colonials scored two more in the seventh and three in the eighth. Williamston rallied in the ninth to touch O'Brien for four consecutive singles to make three runs. Page and Herring, going in as pinch hitters in the ninth, each delivered a single. Taylor led at bat for Williamston with three singles. Partin, with two doubles and a triple, and Hart, with two singles and a home run, were best for Edenton.

In the last Tuesday game here, Elizabeth City made several costly errors, the first basemen missing a chance that turned in three runs. Williamston won the contest, 10 to 3. "Doc" Kugler turned the visitors back with only 6 hits, the locals annexing 12 safeties on Reel and Lee.

Herring, pitching Wednesday, defeated the Jaybirds at Elizabeth City, 8 to 2, allowing the Pasquotank boys only 5 hits. Herring fanned 11 men facing him that day and allowed only one hit in the first seven innings. Earp and James led with three hits each for the Martins.

This afternoon Edenton comes here, and a close game is expected.

Tomorrow Williamston plays off a tie game with Colerain at Colerain, the locals to receive 40 percent of the gross receipts.

Next Tuesday "Country" Davis is to bring his Indians for the first game with the locals this season.

Box score and summary for Thursday's game follow:

WILLIAMSTON	AB	R	H	PO	EA

Charles Hall Dickey, Jr., Is Town's Champion Traveler

Chas. Hall Dickey, the second and the town's champion traveler, leaves tomorrow morning for Philadelphia where he will visit relatives a few days before continuing to Chicago to see the world fair. While in the windy city he will be the guest of his aunt.

Miss Evelyn Harrison, who recently completed a year's study at the University of Illinois, was the first person from here to see the wonders at the world fair.

Morning Service Sunday at Church of the Advent

Rev. E. F. Moseley will return from Camp Leach for the morning service at the Church of the Advent June 18. The subject of the sermon at this hour will be: "Is Our Conversion a Reality?"

Elizabeth City	1	6	.143

UNDERTAKE TO DO SEWING FOR COUNTY NEEDY

Welfare Heads Appeal for Patterns for Use in the Sewing Project

A sewing project, planned for the needy in this county, will be started next week, it was learned from the welfare office here yesterday morning. Unemployed women dependent upon relief agencies will be given work during the next few weeks, it is planned. Approximately 1,000 yards of material furnished by the Red Cross will be made into garments under the direction of Red Cross authorities here in cooperation with the welfare department.

In an effort to make the project a successful one, the authorities are appealing for patterns of all sizes and descriptions. The need for children's dress patterns is especially great, it was said, and any one having a simple pattern is urged to donate it for use in the project. Patterns will be received at the welfare office in the courthouse, and by next Monday or Tuesday it is hoped at least 100 patterns will have been donated.

The garments will be distributed among needy children of school age throughout the county, and the success of the project will mean better attendance upon the several schools next fall and winter.

It is believed the project will prove of great value, and those in charge of the undertaking are certain it will prove successful if sufficient patterns can be secured by the early part of next week. Any one having a pattern that is suitable for use is cordially asked to forward it immediately to the welfare department, Williamston. Garments will be distributed to needy children throughout the county.

Whooping Cough Spreads Among Colored Families

The numerous cases of whooping cough are beginning to dwindle among white children here, but it is feared the outbreak has just started with the almost countless colored youngsters in town. Up until yesterday only one case of the cough had been reported among the colored population. Three new cases were reported that day, and that number is believed to be sufficient to fan the blaze and start an epidemic among the colored children.

A few additional cases among the white children were reported this week, but it is believed that the epidemic stage is passed.

Schedule of Presbyterian Services in the County

Sunday, June 18th, 1933:
Church school at 9:45 a. m.
Worship service and sermon at 11 a. m. Subject: "Reserves," by Z. T. Piephoff.
Bear Grass
Church school at 10 a. m. J. Layton Mauze.
Worship service and sermon at 8 p. m. Z. T. Piephoff.
Roberson's Chapel
Church school at 4 p. m.
Preaching immediately afterward by J. Layton Mauze.
Ballard's Farm
Church school at 4 p. m. by Z. T. Piephoff.
Prison Camp
Services at 3:30 p. m., by Rev. Hill. We invite you to these services.

WHERE THEY PLAY

FRIDAY, JUNE 16
Edenton at Williamston.

Edenton at Colerain.

OFFERED FREE TO EVERYBODY IN THIS SECTION

Thousands of People in County Expected To Be Vaccinated

Thousands of Martin County people—old and young, rich and poor, white and colored—are planning to take advantage of the free immunization against typhoid fever and diphtheria offered by the county in cooperation with the State Board of Health. The campaign opens next Monday morning and continues for four weeks. Only three visits or "shots" are necessary, the authorities adding an extra week to take care of those who will find it impossible to attend the first week.

All of the county doctors will take part in the campaign, it was learned from the county health office, and present indications point to one of the most successful drives against the fever and diphtheria ever undertaken in the county.

Beginning next Monday, and then for several weeks, it will not be advisable to slay your friends on the back or arm for fear of aggravating their vaccinations.

Glance over the following schedule and make definite plans to attend and have all the members of the family at the nearest dispensary on the dates scheduled:

Mondays, June 19, 26, July 3, 10; Sandy Ridge school, 8:30 a. m.; Jamesville school, 10 a. m.; Farm Life school, 10:30 a. m.; Oak City school, 10 a. m.; Hamilton school, 3 p. m.
Tuesdays, June 20, 27, July 4, 11; Litley's Hall school, 8:30 a. m.; Smith wicks Creek school, 10 a. m.; Macedonia schools, 11 a. m.; Parmele, Hassell and Dardens schools, 10 a. m.
Wednesdays, June 21, 28, July 5, 12; Bear Grass school, 9:30 a. m.; Bear Grass school (colored), 11:30 a. m.
Thursdays, June 22, 29, July 6, 13; Everetts school, 8:30 a. m.; Everetts schools (colored), 10 a. m.; Cross Roads school, 11:30 a. m.; Gold Point school, 10 a. m.
Fridays, June 23, 30, July 7, 14; Williamston school, 8:30 a. m.; Williamston school (colored), 10:30 a. m.; Robersonville school, 8:30 a. m.; Robersonville school (colored), 10:30 a. m.

LAST OF DUGGAN FAMILY IS DEAD

Son of a Notorious Family Died at County Home This Week

Wiley Duggan, 70-odd years of age, and the last member of a notorious colored family of this place, died in the Martin County home—Tuesday night a pauper. Last rites were held at the home Wednesday, and interment followed in the county's burial ground about two and one-half miles from here on North Carolina Highway No. 90.

While Wiley Duggan was a member of the notorious family, he was not closely associated in their activities. He had several brothers and they, led by their father, created terror here in the days gone by. They were noted for the fights and attacks upon the whites, against whom they were bitterly prejudiced, it is said. The climax of the gang was reached when certain members plotted to burn the business district of the town a number of years ago. Learning of the plans to burn the town, a number of white men secreted themselves with guns and ammunition and were ordered to shoot to kill. The gang turned back before blood could be shed when it was learned there would be a battle.

V. G. Taylor Champion Irish Potato Grower

While many farmers experienced medium yields of Irish potatoes this season, Mr. V. G. Taylor, county commissioner and large-scale farmer, only recently completed harvesting one of the best crops of the cobbler he has ever raised. He averaged as high as 90 barrels to the acre in one or two cases, and the quality, firmly established by a bushel placed on display in the Enterprise office Wednesday, was declared to have established a new record in this part of the county.

Many potatoes have been sold here in years past, but those raised by Mr. Taylor outclasses them all without a doubt.

Farmers selling through established exchanges, are said to have averaged over \$2 a barrel for their offerings this season.
