CHESTERFIELD CIGARETTES ARE A BALANCED BLEND OF THE FINEST AROMATIC TURKISH TOBACCO AND THE CHOICEST OF SEVERAL AMERICAN VARIETIES BLENDING IN THE CORRECT PROPORTION TO BRING OUT THE FINER QUALITIES OF EACH TOBACCO. I keep coming back to that word "balanced" on the back of the Chesterfield package YOU often hear the word balance—something is out of balance—top heavy, not on an "even keel." What you read, "Chesterfield Cigarettes are a balanced blend," means that the right amounts of the right kinds of tobacco are welded together; that is, home-grown tobaccos, the right kind, the right quantity—are blended and cross-blended with tobaccos from Turkey and Greece. When these tobaccos are balanced one against the other, then you have a mild cigarette. When they are in balance, then you have a better-tasting cigarette. May we ask you to read again the statement on the back of the Chesterfield package? May we ask you to try Chesterfield? Chesterfield A Balanced Blend
