Greenville Men Present Trophy to Basketball Team Wednesday

Mr. Rose, superintendent of Greenville City schools, and Mr. Hewlette, athletic coach, attended chapel exercises Wednesday for the purpose of presenting a trophy to the Jamesville Girls' basketball team...

Mr. Martin, girls' coach, had charge of the program. Mr. Hewlette was introduced by Mr. Uzzle and spoke briefly concerning the good sportsmanship and fair play that were evidenced by Jamesville teams throughout the tournament...

Mr. Rose then made a very interesting talk emphasizing the qualities of a winner. He also stated that if any one wanted to do a thing hard enough and long enough that he could do it.

At the conclusion of his talk, Mr. Rose presented the trophy to Louise Martin, captain of the girls' team, who in turn gave it to Mr. Pollock, who received it in behalf of the local school.

The girls have maintained an undefeated record throughout the entire season. The team is composed of the following: Elouise Perry, Louise Martin, Viola Manning, Mildred Smith, Beulah M. Hardison, Mary Elizabeth Brown, Mavevine Davis, Selma Ange, Edna Gray Carson, and Marjorie Brown.

Recently the lunch room has been equipped with new tables, covers, cups, bowls, and spoons. Under the direction of Mrs. Joe Holliday, approximate

Program of Services at Local Churches on Easter Sunday

Biggest Day of Year At Baptist Church Sunday

Sunday at the Baptist church bids fair to be the biggest day in the church year.

After a week's meeting, in which the attendance has been unusually large, and the spirit of the meetings so beautiful there will be a baptismal service at the Easter Sunday morning service at 11 o'clock, which follows the Sunday school sessions at 9:45.

In the evening this congregation assembles again at 7:30 o'clock, with the public in general, in this church, to hear the Choral Club's rendition of their prepared special Easter music.

Everybody who can get into the building will be joyfully welcomed.

Easter Sunrise Service At Christian Church

There will be an Easter sunrise prayer service at the Christian church Sunday morning at 6 o'clock. The public is cordially invited to attend and engage in this sacred service.

SCHOOL NEWS AT OAK CITY

Preparation Being Made for Baseball Season by Boys Athletic Teams

Preparations are being made for the opening of the baseball season. Some new equipment has been ordered and the boys are anxious to begin.

The boys' basketball team ended the season with a fair record. They lost only 2 games, both of them being to Hobgood. The boys hope they can be as successful in baseball.

The faculty here believes in athletics, but they are not willing for delinquent pupils to engage in any games, therefore each pupil realizes he has to consider his work first. This method was tried out during the basketball season and proved very effective. After four weeks of suspension of all games, teachers found the scholastic standing of pupils who had been denied the right to engage in any form of athletics remarkably improved.

P. T. A. Meeting

The regular meeting of the Oak City Parent-Teacher Association was held Friday evening, March 23.

In spite of the bad weather, we had a very good meeting. Mrs. J. B. Spillman, from Greenville, gave a very interesting address. She gave some helpful information about what the New Deal is doing for education and for the good of the children in our country.

Lunch Room Work

The work of the Oak City lunch room is progressing nicely. Plate lunches, consisting of vegetables,

fruits, and milk, are being served free to 56 pupils. The children seem both to enjoy and appreciate the well-prepared lunches. The free lunch has improved attendance in the primary department.

Senior Trip

The Seniors have planned to visit the city of Richmond on April 6th. Many places other than Richmond were considered, but after much deliberation the class unanimously agreed on Richmond.

The chamber of commerce of the city has kindly consented to furnish the class a guide, and since Richmond is historically important, we are sure the seniors will have much to relate upon their return.

Study Government Officials

Pupils of today become voters of tomorrow, they become our leaders, and upon their shoulders rest the responsibilities of good citizenship. Therefore, it is indeed very essential that a pupil be acquainted with our government, its workings, and its functions. A more enlightened electorate is needed, and education in citizenship will furnish it.

Each class of history has been studying our great government officials. The pupils are acquainted with the cabinet members and their policies. The New Deal has been carefully studied and tests reveal that a majority of the pupils undertake these tasks seriously.
