CARD OF THANKS
 We are now in the Yuletide season, a season when all the Christian world is preparing to celebrate the nativity of our Lord and Savior. We have no means of determining the date that the first celebration was held, but it must have taken place several centuries ago. The birth of our Redeemer was the most noted event in all history. He was spoken of in the Garden of Eden, and soon after the flood by Job, then several times by Caesar. Therefore, the members of the church at Hayes Swamp desire to render our thanks unto the true and faithful followers of the Lord and Redeemer for their patience and forbearance, their love and advice. They heard our cries as the Lord heard David's, and saved us. We want to render unto every one thanks who contributed and helped to build our meeting house. We have nothing to offer you for love and contributions, but our feeble prayers. We are indebted to every denomination in the county and adjoining counties for their aid; indebted to people in every walk of life, and to these kind people we owe a debt of gratitude that we cannot pay, and no one you are tant to the death of a beggar, but must say that "God-love-a cheerful giver," and we trust He will bless you for your kindness.

We are looking forward to and expecting the most glorious Christmas in our lives, rejoicing in the name of Jesus Christ and His promises, rejoicing to know that so many kind friends assisted us to build a home in God's name.

We want to extend to each and every one of our friends an invitation to visit us. Come and join us in praise and prayer. Visit us and give us a chance to welcome you at our church and in our home.

Again let us thank all, and again invite you to visit us.

May the Lord lead us and teach us His ways.

Mrs. RHODA LILLEY, For the Church.

Thousands of Women Benefited By Cardui
 The benefits many women obtain from Cardui give them great confidence in it. "I have four children," writes Mrs. J. L. Norred, of Lagrange, Ga. "Before the birth of my children, I was weak, nervous and tired. I had a lot of trouble with my back. I took Cardui each time and found it so helpful. Cardui did more to allay the nausea at these times than anything I have ever used. I am in very good health and believe Cardui did a lot of it." Thousands of women testify Cardui benefited them. If it does not benefit you, consult a physician.
