**Tobacco Barn FLUES**

Our experience has taught us to make flues as near perfect as flues can be made. You do not have to borrow your neighbor's tin snips and get him help you put your flues together, neither are you provoked to profanity because they do not fit when you buy flues from Harrison Bros.

If your flues are well made you not only get a better curing but SAVE from one-fourth to one-third on wood.

WE WOULD APPRECIATE YOUR COMING IN AND LET US SHOW YOU THE SECTIONS WE MAKE AND HOW THEY WILL FIT
