HINTS FOR HOMEMAKERS

By Miss ORA E. FINCH, Home Service Director Virginia Electric And Power Company

Puddings
These two puddings are appetizing desserts for cool days, which really do not need a sauce or whipped cream to make them delicious. However, extra food value and flavor are added by the use of a hard sauce or whipped cream.

Orange Pudding
Syrup:
1 cup granulated sugar,
1 1/2 cups water,
3 tbs. butter,
Grated dind and juice of 1 orange,
1-4 tsp. salt,
Grated nutmeg, if desired.
Place the above ingredients in a 1-2 quart vapor-seal saucepan on a 1,000 watt unit, turn switch to "high," then allow to come to a full rolling boil.

Cake Mixture
1 1/2 cups pastry flour,
2 1/2 tps. baking powder,
1-2 cup melted butter,
1-2 cup milk,
1-2 tsp. salt,
1-2 cup granulated sugar,
1 egg,
1-2 tsp. orange extract.

Sift all the dry ingredients together. Add the eggs to the milk, then melted shortening. Beat slightly. Turn the wet ingredients into the dry ingredients, beat until mixture is smooth. Stir in flavoring. Drop batter into boiling syrup. Cover immediately. When the steam comes vigorously from the steam vent, turn current off and continue cooking on stored heat for 45 minutes. Turn out and serve with or without whipped cream.

Appetizing Left-Over Meats
Chartreuse of Meat and Rice
2 cups chopped cooked meat (any kind)
1 tsp. salt,
1-4 tsp. pepper,
1-4 tsp. onion juice,
1 tbs. chopped parsley,
1 egg,
3-4 cup fine soft bread crumbs,
4 cups cooked rice,
Season meat and mix with the crumbs and beaten egg, add enough stock to make it pack easily. Line thoroughly buttered mold with three cups of rice, fill with the meat mixture, and cover with the remainder of rice. Cover tightly and bake at 350 degrees for one hour. Serve with tomato sauce. (The preparation may be done ahead and the covered mold kept in the refrigerator until time to serve).
