

Hot Election Held In Parmele; Old Officials Relected

John Roebuck Again Heads Local Government; Other News

Last week was our big election, and was it HOT! The independents or the New Dealers or the soreheads or something put out some candidates and got the old-liners or the old Ring just about scared into duck fits, but the final count of votes means that Parmele is still on the map with a low tax rate and plenty of rain. The mayor's office is a big job with one dollar a month salary and about \$40 worth of cussin'. John Roebuck got his share of the cussin', but somehow when he went into office the town was in debt and now the roads are in the best condition they ever were and there is a nice surplus of cash in the bank. So, after all the fireworks, the people reelected him by an overwhelming majority. J. W. Grimes, G. M. Cargile and L. C. Crisp are the commissioners and Jesse Manning is cop. Now watch Parmele grow.

Mrs. J. T. Wildman is in Fayetteville visiting her daughters, who are teaching school there.

Last Sunday we went to Robersonville and heard a better sermon than common on such occasions, and, incidentally, took a good look at the graduating class. That class is about the finest we ever looked on. The girls are beautiful and the boys are fine looking, and, all in all, they are above the average for intelligence and everything that goes to make mothers proud of them.

Rev. Shoe is trying to make a good Baptist of Rev. J. T. Wildman. Next Sunday, while Mr. Shoe is in New Orleans, Mr. Wildman will preach in the Baptist church at Hamilton.

George James says it works him mighty hard to carry two mail routes. But I guess if they pay him hard it is all right. At any rate, we have not heard of him wanting to resign.

HERE'S SPEEDY RELIEF FOR Tender, Aching, Swollen Feet

Your feet may be so swollen and it flamed that you think you can't go another step. Your shoes may feel as if they are cutting right into the flesh. You feel all over with the pain and torture. You give anything to get relief.

Two or three applications of **Moose Brand Oil** and in fifteen minutes the pain and soreness disappears. A few more applications of regular intervals and the swelling reduces.

And as for Soft Corns and Callouses a few applications each night at bed time and they just seem to drift right off and scale off. No matter how discouraging you have been, if you have not tried **Moose Brand Oil** then you have something to lose, and best of all any offensive odor is gone.

Property Listings of Township Are Being Studied by Officials

Changes Are Being Made in Listings by Board of Appraisers

Robersonville, N. C., May 12.—List Taker H. S. Everett and Appraisers Joe Winslow and Tom Roebuck are reviewing the listings of property in this township and will probably complete the list by the end of this week. They are carefully reviewing the property of each individual and in most instances changes are being made. A majority of the property is being raised while in some cases the valuation is lowered. Some property owners are having their listings passed with but very few changes.

The appraising of the property began Monday morning, and members of the board said they hoped to complete the task by Saturday. One member of the board said they were trying to use discretion where justice demanded it, and that they were doing their best to deal fairly and squarely with all the owners of property in the township.

When asked if an increase in valuation would come as a result of their changes, they all agreed that it would be raised from 7 to 10 per cent.
