

VANDYKE FURNITURE Annual Sale

Our Mr. G. G. Woolard, manager of this store, has just recently returned from the largest furniture sale in the world and he has great news for the people of Eastern North Carolina. Several solid carloads of the most beautiful furniture ever seen in this section were purchased, and by buying in such large quantities VanDyke's is in position to offer this furniture on to the buying public. We are arranging for the greatest furniture sale ever held in this section, and for the lowest prices on cheap furniture. We bought the best money could buy, and yet we are offering it during this gigantic sale at prices that anyone can afford to pay and at such low figures no one can well afford not to buy now. Thrifty shoppers will find that if you need good furniture and at the right price, now is the time to fill those needs. Make your plans to come to the store.

Starts Thursday
September 16, 8:00 A. M.
