

# Martins Make Bow in Exhibition Game Here

## Defeat Norfolk's Tars By Score Of 2-1 Last Sunday

### Too Much Pitching Makes Dull Game in Field For Fans

Going into action for the first time, the 1938 Martins registered a two-to-one victory over the Norfolk Tars in an exhibition game here last Sunday afternoon, the event being on the listless side.

Advanced pitching by Zak, Snow Hill twirler of last year, and by Raper, who came from the Cincinnati camp to aid the Martins, centered the activities for the most part between themselves and the receivers. However, the doings in the other departments offered the five hundred fans a glimpse at the not-yet-complete line-up of the Martins. "Babe" Lunt, the youngster from Palm Beach, showed up well at short, and Louie Grahovac played a good game at third. Paynter looked fine behind the bat, and other home boys hold promise, the fans say.

A change in the personnel was effected at the last minute, and three visitors, Raper, Cincinnati-owned, and McConnell, the fellow in left field, and Green on first base, were here for the one appearance from the Durham camp. Thomas Tice and George Peel, home boys, did not find their way into the line-up, but they are working with the squad.

Grahovac, all the way from Thornton, Illinois, to hold down the third corner, opened the Martins' inning with a single, one of the two made off Zak and Hruska during the afternoon. Poynter got the other hit in the sixth and batted in the two runs for the locals.

Corbitt, one time with the Martins, had an off day and helped the Martins to victory, while Raper was taming his teammates at bat. The Cincinnati man allowed the Tars four hits in six innings. Jefferson, working the last three frames, allowed only two safeties and struck out five.

## RIVALRY MEET

The baseball game which local fans have been looking forward to for some time will be played on the high school field tomorrow afternoon when the Lions and Kiwanians play their annual game. The game was scheduled for last Friday, but the chilled weather prevented the older members from venturing away from their fire-sides. Manager Spivey of the Kiwanians and Manager Clayton of the Lions have completed their line-ups for the game and will send two strong teams on the field at 3:30 tomorrow.

# Hauger Will Round Out Team the Latter Part Of This Week

## Training Camp Personnel Changed Over Past Week-end

Williamston's baseball team will start taking definite form the latter part of this week when Manager Art Hauger returns from a visit to the Bulls' training camp in Durham. The Skipper left for Durham this morning with the promise of being first served in the pickings.

During the meantime, the manager is doing quite a bit of shifting in the line-up at home. Bradshaw, first baseman and Pyron, infielder, trying out at their own expense for a place with the Martins, withdrew from the local camp last week-end. Carlton returned to Palm Beach leaving an opening in the outfield. Nick Bubash, Illinois young man, has checked out. New recruits are due in here before the week-end to bid for places, and by that time the 1938 aggregation will have been fairly definitely established.

Ace Villepique, last year's left fielder, and Wilcox, catcher from Arab, Alabama, are due in shortly. Manager Hauger said this morning just before leaving for Durham where he will aid in a school of 60 young players. Mayo, young Plymouth boy, is working out with the Martins as a newcomer. Stroud Fields, a member of the Martins' pitching staff last season, and Al-

# Locals Lose To Kinston 7 To 1 Here Yesterday

Haskins, delivering his fast ball like a veteran, yielded only three hits to Williamston players. Hall and Edmondson, local pitchers, gave nine hits.

Williamston and Bear Grass are playing a game on the local diamond this afternoon.
