BREWING INDUSTRY

AND HERE, MR. WORKMAN, ARE A MILLION JOBS MADE BY BEER

BEER PAYS A MILLION DOLLARS A DAY IN TAXES NATION-WIDE

AND HERE, MR. TAXPAYER, IS A HUGE SUM TO LIGHTEN YOUR TAX BURDEN!

GOOD crops at good prices... isn't that the kind of farm relief that farmers really want? Since 1933, the brewing industry has bought 15 billion pounds of American farm products... paying good prices, too.

Add to that, the million jobs that Beer has made... and the fact that Beer pays a million dollars a day in taxes: local, state, national. To safeguard these advantages, the brewing industry stands ready to cooperate fully with all law enforcement authorities. The brewers can enforce no laws... but they do insist that retail beer outlets should give no offense to anyone.

Would you like a booklet that describes the brewers' program of direct action? Address: United Brewers Industrial Foundation, 19 East 40th St., New York, N. Y.
