

Happenings In The Oak City Schools

The Oak City school attendance is very good. Very few cases, if any, of influenza are reported.

Quite a number of new pupils have entered the school since the holidays.

Classes are progressing nicely and pupils are taking part in a democratic way.

Miss Reba McLamb has accepted the place of treasurer for the athletic association in Oak City School.

Mr. A. M. Benton, agriculture teacher, is leaving soon and will take up work with the Federal government at Lumberton.

The Oak City basketball teams will play a doubleheader with Bethel teams on Friday night.

The school is expecting a visit by Miss Hattie S. Parrott, of the Division of Instructional Service very soon.

The school library has been divided into two sections. One for the high school and one for the elementary department. The school is looking forward to the arrival of the elementary library books.

The senior class is planning an educational tour in the near future. The class is sponsoring a dance for senior school expenses on Friday night, February 21st. Hal Thurston and his orchestra will furnish the music.

The Oak City School raised \$10.00 in the "March of Dimes" drive for prevention of infantile paralysis.

"Melody Comes to Town"—Here February 5th

Jean Parker, who has played leading roles in many movie hits during the last few years, heads the cast of "Melody Comes to Town," feature picture to be shown in the high school building here on Wednesday, February 5th, at 7 p. m. This movie, fifty minutes in length, headlines the John Deere Day entertainment and educational program to be sponsored by the Lindsley Ice Company. Admission will be by ticket only, but tickets may be obtained free of charge at the Lindsley store.

"Melody Comes to Town" is an appealing story of a small-town girl who makes good as the youthful leader of a famous orchestra—but who comes back to help when her folks are in trouble. It's

the story of a "Scattergood Baines" newspaper editor who joins forces with a couple of high school boys to help a widowed mother and her injured son... of a football coach and the Ladies Aid Society... of "Old Lady Dunham," who really is a charming, young teacher. Included in the cast are lovely Jean Parker, Jackie Moran, Joe Brown, Jr., Frank Faylen, Natalie Moorhead, and stuttering Roscoe Ates.

In addition to "Melody Comes to Town," four other new, all-talking pictures will be shown.

Mr. Lindsley is extending a cordial invitation to all farmer readers of this newspaper—and their neighbors—to be his guests on John Deere Day, February 5th.

4-H CLUB ACTIVITIES

The Farm Life club won the banner for the third consecutive time. The banner is given to the club making the highest score in club work and sending in the largest percentage of complete records.

The club won first prize in 1939 and 1940 for fixing the best exhibit. In 1940 we won \$22.50 for giving two plays at the FCX meeting.

Each year projects have been exhibited at the county fair and the members have won ribbons and numerous prizes. Vera Pearl Williams exhibited a complete school outfit at the State fair and won \$5.50.

Our club has been well represented at camp for the past three years. One year Herbert Leslie Manning was named "best camp boy."

We have taken part in two religious services. These services were held at the Williamston Baptist and the Piney Grove Churches.

Lala Smithwick, Leslie Edwards, Thomas Daniels and E. H. Manning won medals for completing four years of club work.

Vera Pearl Williams won a medal for being clothing champion.

Per Acre Tobacco Tax About \$1.100

Tobacco farmers have been wondering just how they will be affected by the Flannagan Bill, recently passed by Congress, increasing the official "parity price" of tobacco. Here is an interesting comment from The Progressive Farmer:

"The base period is changed from 1919-29 to 1934-39 which automatically boosts the flue-cured parity figure from 18.3 to 22.4 cents... and lifts burley from 17 to 21.8 cents, effective with the 1941 crop. 'Will this price increase injure the foreign demand?' we asked E. Y. Floyd.

"How can these few cents a pound more for the farmer hurt anything? he came back at us, 'when England and most of the foreign countries already tax tobacco \$3 a pound... and the United States itself taxes tobacco \$1.10 a pound?—which means a \$1.100-per-acre tax levied every year that comes on each acre producing 1,000 pounds—and larger or smaller yields in proportion. (Whew!)"

Building At Bragg Is Half Complete

With more than twelve hundred buildings under roof and with work in two of the thirteen construction areas one hundred per cent completed, the thirty two million dollar expansion program at Fort Bragg has passed the half way to completion mark.

Those units already completed in the largest single military construction program now in progress include the expansion of facilities at Pope Field and in the officers' quarters area.

Grading, preparatory to construction, has also begun on the recently authorized one thousand bed cantonment type hospital, which will insure adequate hospitalization facilities for the more than sixty-five thousand men expected at Fort Bragg by summer.

Formal authorization is expected soon for the planned expansion of the Fourth Corps Area Recruiting Center, providing additional housing, mess and recreational facilities for five hundred more trainees. Plans call for a five hundred man mess hall and recreational building, in addition to twenty barracks, each housing sixty-three men, for Negro trainees.

With work proceeding twenty-four hours a day on several projects, Fort Bragg construction officials have authorized the employment of approximately five thousand additional men through the North Carolina State Employment Service. These will augment the more than twenty thousand already engaged in military construction at Fort Bragg.

REVOCATIONS

Since establishing its motor vehicle license bureau nearly nine years ago, the State of North Carolina through its various courts has revoked 32,261 motor vehicle drivers' permits. Last week there were 151 licenses revoked in the State. While the licenses were revoked for various reasons, most of the drivers lost them on account of drunken driving.

It is estimated that the fines paid by the defendants in the more than 32,000 cases amounted to well over one and one-half million dollars.
