Two County Teams Battle For Places In College Basketball Semi-Finals In Wilson Today

Farm Life Is Ousted In First Round By Close Score, 26 to 22

Bear Grass Meets Grady's This Afternoon; Jamesville To Play Snow Hill

Three high school basketball teams, representing Martin County, have already commanded respect in Atlantic Christian College's annual basketball tournament, and two, Jamesville and Bear Grass, are plugging away today for places in the semi-finals tomorrow morning. Farm Life was edged out of the race by a close score yesterday morning at the hands of the B. F. Grady school team.

Entering the tourney field of 28 Class B teams, Bear Grass is meeting the Grady school this afternoon at 2 o'clock, and Jamesville is taking on Snow Hill at 7 o'clock this evening. The winners will go into the semi-finals tomorrow morning, and the semi-final winners will battle for the championship tomorrow evening at 8 o'clock.

In the opening contest of the afternoon games, B. F. Grady high school took a 26 to 22 triumph over Farm Life in a close and exciting battle.

Both teams played mostly a defensive game during the first half as each team was held scoreless in the second quarter. The winners led at intermission, 10-8.

B. F. Grady took the offensive in the third period and bagged eight markers while holding their opponents to six. Again in the final stanza the victors, led by Herring, hit the basket for eight markers and a 26-22 win.

Herring, of B. F. Grady, and Manning, of Farm Life, rival centers, copped scoring honors for both teams with 10 and 8 points respectively.

Running up a one-sided affair the Bear Grass high school racked up a 39-15 victory over Westbrook in a riot.

Little Ronald White, Bear Grass forward, "blitzkrieged" the basket for 20 points to lead his team's attack, but he was followed closely by Roberson with 11. West led the losers' cause with 5 markers.

Bear Grass found their range in the first minute of play as they began a "basket barrage" to pile up a 25 to 4 lead at the half-time.

The final half was a duplicate of the first as the Bears kept up their

LEAGUE MEETING

Stated to meet on Friday evening of next week, the Coastal Plain League directors are expected to adopt a playing schedule for the coming season. A meeting place has not been definitely fixed, the league president, Ray Goodman, stating that an invitation to meet in Tarboro was being considered.

The tentative playing schedule was placed in the hands of the league directors this week, and while it may not meet with absolute approval, it is generally believed that its adoption will follow at the meeting tentatively slated for next Friday.

scoring pace to win 39-15 to advance a notch closer to the finals.

Jamesville, last year's defending Class B champions, began the tournament with a bang as they romped to an easy 25 to 17 triumph over the Southwood high school quint in the opening game.

Brown, Jamesville forward, was high scorer for the winners, while Zero Holliday stood out on defense. Rouse led Southwood with 6 points.

Southwood scored first in the opening quarter as King dropped in a grating shot. This lead was short-lived as Jamesville began to find the range and ran their lead to 17-6 at half-time.

In the final half, Southwood led the offensive scoring 11 points, while holding Jamesville to six, but the first-half lead racked up by the Jamesville quint was the margin of victory.

Last evening at 6 o'clock, Jamesville gained by a big score a place in the quarter-finals with a 49-12 win over Benson. Ange scored sixteen points to lead the county lads who took a triple-lead at the half to coast to an easy victory. The facts and figures give Jamesville the edge in the battle tonight at 7 o'clock with Snow Hill. The little Billies managed to eke out a 23-20 victory over Walstonburg.

Bear Grass goes to the quarter-finals this afternoon against the B. F. Grady school team after turning back Maxton by a thrilling two-point marginal score. The 27-25 victory was gained by the Bear Grass lads in an extra period, the teams holding 25 points each at the end of the regulation game. White and Harrison contributed a goal each to give their team victory. The last goal ran White's scoring up to 20 points.

The personnel of the three county teams entering the tourney: Jamesville High School: J. T. Uzle, coach; Albert Martin, Elwood Brown, Ernest Capps, forwards; Thurman Ange, Clifford Corey, centers; Dennis Holliday, Andrew Holliday, Jr., Macon Holliday, guards; Ray Stallings, manager.

Happenings In The Farm Life School

Around 25 ladies of the community gathered at the school building Thursday afternoon to plant new shrubbery and to work the old.

The juniors have issued invitations to the banquet they are giving in honor of the seniors on Friday, March 14th, at 8 o'clock, in the Woman's Club, at Williamston. The Saint Patrick idea will be carried out in the decorations and in the menu. Around 60 people are expected to be present.

For the first time in its history, Farm Life School will have an annual. Much work has gone into the making of this yearbook. The material will be lithographed. This annual is the outgrowth of an idea the seniors had, as juniors last year, and the book is a project that they have developed in their English class. Mrs. Martin is the sponsor.

Robeson Club Gets Progressive Start

Literally lifting the county by its bootstraps to a higher plane is the avowed objective of the recently organized Robeson County Club, its membership including many of the leading citizens of the county.

Primary purpose is to promote the development of the county as well as high ethical and business standards. Any adult white person of good character and good business reputation is qualified for active membership in the organization if engaged in business or professional practice in the county.

At the organization meeting, held in the new community house in St. Pauls, Paul Thompson, of Fairmont, was elected president of the club. Other officers elected were: W. E. Graham, of Lumber Bridge, vice president; J. A. Sharpe, publisher of the Robesonian at Lumberton, secretary, and W. Z. Pate, of Rowland, treasurer. The club will meet once each quarter in different communities to discuss and act on important matters affecting the life of the county.

Among the aims of the organization are: the development and conservation of natural resources, improvement of agricultural and industrial resources and opportunities, development of markets for all products and the preservation of public property. Largely responsible for the formation of the club was Editor Sharpe, who received the active cooperation of W. D. Reynolds, farm agent of the N. C. State College Extension Service. A steering committee was named in January to make definite plans for forming the club.

C. L. Ballance, prominent farmer and swine breeder of St. Pauls, presided over the organization meeting. F. H. Jeter, State College agriculture editor, made the principal address, and brief talks were made by Editor Sharpe, F. E. Cox, Bill Pate, George T. Ashford, and Archie W. McLean.
