## Martins Win Six Games Out Of Last Seven Despite Several Injuries

### Williamston Finally Loses When Crowe Hits A 'Grand Slam'

Greenville Decisions Locals, 10-3, Over There Last Night

After taking six straight victories the Williamston Martins fell in defeat at the hands of Manager Rube Wilson's Greenies in Greenville last night. The score was 10-3. According to reports it rained at intervals making it necessary to delay starting the game for over forty-five minutes.

Williamston now holds down fifth place in the Coastal Plain standings, only one-half game out of the first division, and two games out of third place.

Greenville clinched the victory in the eighth inning with five runs. A single, walk and error filled the bases. Then Rymer walked Scagg to send in one run. Little Bennie Crowe hit a "grand slam" to drive in the other four runs in this frame. Crowe's homer went over the fence about the 340 foot mark in leftfield.

Ken Rymer went the distance for the Martins and gave up nine safeties, while walking seven and striking out seven batters.

Several changes were necessary in the Martin line-up last night due to injuries and sickness.

Fred Hoyle led the Martins at the plate with three hits for four attempts. Skipper Rodgers was next with two for four.

For Greenville, Wilson, Jenkins and Pratt each hit safely twice.

### How They Hit In The Softball Loop

Sporting a cost of three .500 hitters, the local softball loop has a large number of 300 sluggers this season. Three Episcopalians lead the select group, Albert Cooke, Parson John Hardy and Jack Saunders, while Fenner Wallace, another Episcopalian, is fourth in the league with a percentage of .467.

A player must have at least seven official times at bat to be considered among the leaders.

The averages through last Friday's games, follow:

Edenton Boys Playing on Both Teams; Edenton High's Crack Band Will Parade Before the Game

With final arrangements complete for the baseball game between Williamston and Tarboro which will be played in Edenton on Wednesday afternoon, June 25th, as a courtesy and at the request of a number of Edenton fans, this exhibition promises to bring together one of the biggest crowds of baseball lovers this section has ever seen, if pre-game interest has anything to do with it. The game will begin promptly at four o'clock.

### Eagles Plucked By Martins, 5 to 4, In Thrill-packed Tilt

Kunis Masters Kinston Batters While Taylor Goes On Rampage

Kinston was unable to solve Pete Kunis' offerings effectively here last Saturday night, and fell in defeat at the hands of the Martins 5-4. Both teams got eight safeties, but the Eagles erred at critical times to give the locals the edge.

It was a thrilling exhibition with Kinston staging a brave comeback in the eighth inning, scoring twice on three singles and a double.

Williamston opened up with a run in the first inning on Bill Shelton's single and Chuck Taylor's double.

Two more scores were added in the second when Skipper Rodgers hit for the circuit, Fred Hoyle tripled and came home on Bert Stotler's outfield fly. A single and two errors were good for a run in the third, while Shelton's double, Taylor's single and an outfield fly produced the final Martin tally.

Bill Shelton pulled a muscle in the fifth after hitting a two-base blow. Skipper Rodgers went to second base and Ken Rymer took over the centerfield post. Rymer made a sensational catch of Ridings' drive in the ninth, which looked as though it would hit the school building. Taylor backed up to the gym to make another beautiful catch in the same inning.

Chuck Taylor got four of the Martins' eight hits for a perfect night at the plate, one of which was a double.

Al Slakis, former Martin infielder, playing shortstop for the Eagles, was their leading batter with a double and single for four trips, and driving in two of the Kinston runs.

### Leading Twirlers In Softball Loop

According to the pitching averages in the City Softball Circuit, the four teams seem more evenly balanced than in the past, with the exception of the Methoterians. Last season several hurlers won three or four games before they were defeated, but to date only three are in the 1,000 percentage class, Sullivan, S. Wynne and Stalls each having one win against no defeats.

Appearing on the mound the greatest number of times, Freddie Summerlin, Baptist mainstay, has four victories and a lone defeat chalked up against him, while Jack Manning, of the Christians, is next with three wins and one loss.

Ernest Mears is low man in the loop with a record of no victories and four defeats.

The averages through last Friday's games, follow:

### Greenies Turn Blue As Pea Green Hurls "Bright" 5-1 Victory

Charles "Donald Duck" Wilcox Bats 1,000 To Lead Local Attack

Before a large and enthusiastic crowd of fans here last Sunday afternoon, the Williamston Martins ran their chain of victories to six, defeating Greenville 5-1 with the pitching of Pea Green playing a big part in the victory.

The lone Greenie run was unearned. Green giving up only eight scattered hits, while striking out eight batters.

Singles by Hoyle, Stotler and Wilcox produced a run in the second, but the deciding tallies were made in the fifth when the locals combined Byrum's double, Taylor's single, a walk and an error to score three times. Two singles, a sacrifice and an error gave the Martins a tally in the seventh.

Charlie "Donald Duck" Wilcox had a perfect afternoon, two for two, while Chesty Sparr and Fred Hoyle followed close behind, each getting two for three.

Playing third base for the Martins—and doing a wonderful job—is Johnny Byrum, an Edenton boy who has become very popular with the baseball fans of this section. A former teammate of Johnny's during their high school days, "Little Bud" Cayton, will be playing second base for the Tarboro Orioles. Since finishing their high school careers, the youths made-up their minds to go up in the professional baseball world, and as anyone can readily see, both Byrum and Cayton hold good prospects of continuing into a higher calibre ball. Both are fine hustlers and are learning the tricks fast, eager to make good.

Manager Poke Whalen and five other members of the present Tarboro team, trained in Edenton two years ago when members of the Pocomoke City team, and all are well remembered over there, having made a number of lasting friendships which they will renew tomorrow.

The fans of Edenton realize and appreciate the gesture of the people of Williamston, knowing that local fans did not have to make the change. And in order to make the event successful, the crack Edenton High School band will parade down the main street to the ball park, playing several numbers before game time.

After the ball game, the two clubs will dine at the Hotel Joseph Hewes.

Large numbers of Williamston fans are expected to journey to Edenton for the afternoon and enjoy, along with the Edentonians, an afternoon filled with baseball and music.

Skipper Frank Rodgers has announced that either Pete Kunis or Pea Green will probably be on the mound for the locals tomorrow afternoon for the special occasion. "I feel like the people over there are entitled to the best, and we will make every effort to give it to them," said the Skipper in making his decision.

### Sudan Grass Considered The Best Grazing Crop

Sudan grass is worthy of first rank as a temporary grazing and hay crop, says John A. Arcey, extension dairyman of N. C. State College. Good grazing can be secured from Sudan grass within 40 to 50 days after seeding. When cut just as the heads begin to form, Sudan grass makes a very good hay. About 35 to 40 pounds of seed should be sown per acre in a well-prepared seed bed. The crop should be fertilized with 300 pounds per acre of a high grade complete fertilizer at time of seeding, and top dressed with 100 to 150 pounds of nitrate of soda when the grass is about three inches high.

Last year North Carolina layers were credited with a total egg production of 670,000 or 188 eggs per person, reports the State Department of Agriculture.

### Public Opinion . . . By "Buff"

The injury jinx is now riding with the Martins—as if Skipper Rodgers didn't have enough to worry about. It seems that Bert Stotler has been ailing for some time now and had to be replaced last night in Greenville. So, the Skipper came in from center field to second base, shifted Bator to shortstop, Chuck Taylor to centerfield and put Pitcher Pete Kunis in leftfield. That takes a lot of figuring, but the Martins were doing pretty good until Bennie Crowe "lifted" one in the eighth with the bases loaded.

When Bill Shelton went out of action with a pulled muscle, Skipper Frank Rodgers took over second base for the remainder of the game with Kinston last Saturday night, and almost lost his centerfield job as the result. Pitcher Ken Rymer came up with one of the flashiest catches of the season in the ninth inning, which looked good for at least three bases. If he had missed it, the final score may have been different.

With the stores closing tomorrow afternoon, everybody who possibly can should make a special effort to go to Edenton for the baseball game between Williamston and Tarboro. We should show those Edentonians that we "follow the Martins" in big numbers. This transfer was a great move, and we should show our friends across the river how proud we are of the Mar-

SCHEDULE

Tuesday, June 24. Baptists vs. Episcopalian. Christians vs. Methoterians.

Playing in a misty rain, the Christians rallied to defeat the Episcopalian here last night 7-6. The battle between the Baptists and Methoterians was called in the first half of the third inning with both teams tied up at 4-4.

The Episcopalian looked like a sure winner after scoring five runs in the initial inning and another in the second, but the Christians came back strong counting one in the fourth, twice in the sixth and four times in the seventh. The Episcopalian runs in the first came on singles by Jack Baker Saunders, Pap Diem and Jim Rhodes, combined with two walks and an error. Their other tally resulted when M. Malone singled and went the rest of the way on an infield out and two errors.

Bill Spivey's Christians were slow starting, as they were not able to solve Taylor Malone's offerings to any great extent until the fourth, when singles by Fenner Wallace and Parson Goff and an error gave them a run. Two more were added in the sixth on a double by Wallace, singles by Tom Barnhill and Charles Manning, and an error.

The fireworks broke loose in the seventh when three straight singles by Jack Manning, Jack Sullivan and C. T. Roberson filled the bases. Vernon Bunting then dumped a single in front of Tom Skinner, who charged in allowing the ball to get by him. By the time he had run down the soft pellet, the bases were unloaded and the game was over with the Christians the victors.

Jack Manning hurled nine-hit ball for the Christians, three of which came in the first inning.

Fenner Wallace was the leading hitter for the winners, with a double and single for two attempts, while Jack Manning was next with two for three. Haywood Wynne had a perfect night—two for two—for the losers.

The Methoterian-Baptist contest was started, but rain began to fall so fast that the game was called in the third inning. The Methos had scored four runs in the second but Harcum Grimes' clouting Baptists had tied the count before the deci-

### Martins Continue 'Winning Ways' In Kinston Affray, 4-3

Ken Rymer Hurls Well After First Inning, Also Leads At Bat

Williamston's Martins won their fourth game in a row last Friday night in Kinston when they defeated Manager Cowboy McHenry's Eagles by the score of 4-3.

Ken Rymer, starting pitcher for the Martins, ran into some trouble in the first inning when Kinston scored three runs, but held the upper hand from then until the ninth, when he was replaced by Pea Green. Rymer allowed eight hits during his mound stay of 8 2/3 innings, striking out five and walking six.

Williamston scored two runs in both the fifth and sixth innings, all of which came as the result of errors by the Kinston shortstop.

Rymer also led the locals at the plate, getting two for four and driving in a run.

Charlie Metelski and Manager McHenry were best for the Eagles at bat with two for five.
