

If Washington Crossed the Delaware You Can Attain Your Own Individual Independence

There are times when privation becomes a necessity. George Washington led his men to victory because he was able to spur them on spiritually and intellectually, though physically they suffered. Most of us, frankly, live routine lives... and in such a life, privation becomes only futile suffering. However, wise use of earnings and adequate saving, regularly, can avoid personal privation in later years.

Visit Us In Our New Quarters

We are now located in the building formerly occupied by the Branch Banking and Trust Company. The building has been painted and renovated and we are equipped better than ever, to serve the people of this section with a modern banking institution. Come to see us in our new quarters.
