

# Green Wave Defeats Hertford 13 to 0 Here Last Night

## Record Crowd Sees Local High School Football Team In Action For The First Time This Year

### Captain Sullivan And Jim Critcher In Scoring Attack

### Strong Defense with Griffin, Peel and Taylor in the Line Holds Visitors Scoreless

The Green Wave smashed through Hertford with a 13-0 victory in the opening game here last night. Captain Jack Sullivan led his teammates to the opening score with a thirty yard touchdown run off his right side of the line. The score climaxed a sixty yard drive, with a pass from Sullivan to Critcher netting twenty-five yards in the drive. The try for the extra point failed on an incomplete pass.

The second score came in the third quarter as a result of a ten-yard dash by Jim Critcher over the left side of his line. Sullivan made the extra point good on a line play. The Green Wave was on the march for another score when they were stopped ten yards from the pay-dirt by the final whistle.

The locals held the advantage on offensive play over Hertford in tallying ten first downs to their opponents' one. The entire Green Wave outfit displayed plenty of fight and grit on defensive play, with Billy Peele, Reg Griffin and J. B. Taylor bearing the brunt of the attack. Most of the ground gained by Williams-ton was accomplished by the outstanding runs of Sullivan, William Lilley, Jim Critcher and Earl Roberson. Outstanding on defense for the visitors was Percy, captain of the Hertford team.

A record crowd was present to witness the appearance of the Green Wave squad in their new uniforms. Officials for last night's game were Jim Manning, referee; Jack Butler, umpire; Thad Harrison, head linesman; and Jack Edmondson, field judge.

The local boys will play their next home games on October 10 and October 17th, against Columbia and Windsor respectively. Both games will be played under the lights.

The starting lineup for the Green Wave was: center, Collin Peele; guards, J. B. Taylor and Reg Griffin; tackles, Billy Peele and Kemp Peele; ends, Conrad Getsinger and Harold Hargett; quarterback, Captain Jack Sullivan; halfbacks, William Lilley and Garland Wynne; fullback, Earl Roberson. Substitutions were George Cunningham, Jim Critcher, J. D. Woolard, Burke Parker and John L. Goff.

### Farm Bureau Group To Meet Here This Evening

A group of the Martin County Farm Bureau members and officials will meet in the Legion Hut here this evening for a discussion of plans for an extensive membership drive.

### LIBERAL

In making his final report to the county chairman, Elbert S. Peel, of Williamston, Joe Winslow stated that he had raised an additional \$10 since the last report was given for the British Ambulance Drive. Mr. Winslow, a member of the county committee to assist in raising funds for this worthy cause was designated to solicit funds in and near Robersonville. He raised a total of \$79, and, according to general headquarters, Mr. Winslow deserves special recognition, for his report was the best made in the whole county.

### Farm Life Defeats Martin All-Stars

Behind the liberal pitching of that ole-timer, Slim Gardner, and the errors of his teammates, the Farm Life lads turned back the Martin All-Stars here last Wednesday evening, 8 to 1.

Playing the locals in a post-season nightcap, the Farm Life boys placed their hits just out of the infield for the most part and baffled the regulars who were aided by several raw recruits. Griffin, working on the mound for the visitors, fanned several, and held the All-Stars just about hitless in the pitches.

### Happenings In The Bear Grass School

By BESSIE HARRISON Saturday morning, Sept. 20th, the seniors of Bear Grass school spent an enjoyable day as guests of the University of North Carolina.

We left the school building about 7 o'clock and arrived in Chapel Hill around 11:00. Since it was not time to eat dinner, we inspected part of the campus, received our football tickets and watched some band parades. After dinner we inspected the gymnasium, swimming pool, and other large buildings. We also, had the pleasure of seeing some British sailors who were guests of the University. They, like many of us, saw their first football game.

At 3:30 we went to the Kenan Stadium to see the Carolina and Lenoir Rhyne football game. It was very hot in the sun, but we enjoyed the game just the same. We left before game was over so that we could return by Atlantic Christian College of Wilson and see three of our Bear Grass graduates who are in school there—Harry Wynne, Ronald White and Elbert Harris. Ronald and Elbert were home spending the weekend, and we only saw Harry. We visited with him a while and then came home. We spent a very delightful

### Remind Workers To Check Social Security Records

### Insurance Benefits for Worker and Family Depend Upon Wage Credits

A reminder to workers that they should check on the Social Security Board's record of their wages for 1937 before the end of this year was issued today by Mr. Marshall H. Barney, manager of the Rocky Mount Social Security office. He explained that the law limits the time during which any errors or omissions in reports of employees' wages can be corrected in the board's records on the basis of evidence furnished by the board by the employee. The time allowed, he stated, is four years after the end of the year in which wages were received.

That means, Mr. Barney explained that if an employee checks with the board on his wage record and finds that the amount reported for him for the year 1937 was incorrect or incomplete, he can, up until the end of 1941, get any necessary adjustment made by submitting proof of the correct amount to the Social Security Board. For 1938 wages, he has until the end of 1942, and so on.

The Social Security board invites a check-up every year. Mr. Barney said, and any worker with a social security account can get a statement of the amount of wages credited to his account by asking for it. This he can do by letter or by sending in a wage inquiry card which he can get at the nearest social security office. On the card or in his letter the worker must give his name, address, social security account number, and date of birth. The card is already addressed to the Social Security Board, Baltimore, Md., the central office where wage records are kept.

In reply to the worker's request, he will receive, in a sealed envelope, a statement of his wages as shown on the Social Security Board's records. If he feels certain that the amount of wages shown on this statement is incorrect, for the year 1937 or any other period, the Social Security board office at Rocky Mount stands ready to help him clear up the matter.

A worker's social security account is the record of his wages as reported by his employer. Mr. Barney pointed out. When errors occur in the record they may be due to omission of the worker's account number, perhaps a transposition or jumbling of the figures in the number, perhaps a misspelling or other mistakes in the worker's name, or to other causes. When a correction is asked for, the Social Security board checks up its own records and the employer's wage reports, and if it does not find an error there, calls upon the employer or the worker for the information necessary to adjust the matter.

"As insurance benefits for the worker and his family depend upon his wage credits," Mr. Barney says, "the Social Security board invites the worker to check up from year to year on the amount of his wage credits, because if there is an error the sooner it is caught the easier it is to make the correction."

The guests from Bear Grass were Mr. Hickman, Miss Davis, James Elbert Peel, Russell Griffin, Carrie Dell Terry, Rufus Gurganus, Milton Malone, Levi Harrison, Pete Rogers, Henry White, Jr., William Harrison, Asa Taylor, Ruth Evelyn Terry, Bessie Harrison, Evelyn Cowan, Olivia Rogerson, Mabel Wynne, Laura Leggett, Lucille Jones and Naomi Brown.

The Parent-Teacher Association met Tuesday night, Sept. 16th, to hold its first meeting of the school term. At this meeting a nominating committee was appointed to nominate the new officers. On Tuesday night, Sept. 23rd, a call meeting was held during which the following officers were elected, Mrs. Rossell Rogers, president; Mrs. Hildreth Moble, vice president, and Miss Virginia Shindler, secretary and treasurer. Plans were also discussed for building a sidewalk from the school to the store.

On Tuesday night, Sept. 23rd, a picture plan was given in the school auditorium. A large crowd was present.

There is a tobacco campaign now being carried on in the school. The tobacco that is donated by the parents and patrons of the school will be sold and the money used for the benefit of the athletic association.

The high school boys and girls met Tuesday to reorganize the athletic association. New officers were appointed and plans were made to carry out what is hoped will be a most successful basketball season.

The senior class met recently and elected officer to serve this school term. Those elected were: Rufus Gurganus, president; Ruth Evelyn Terry, vice president; Naomi Brown, secretary; Asa Taylor, treasurer; Laura Leggett, athletic reporter, and Bessie Harrison, social reporter.

### The Crop Must Be Harvested

Faced with a serious shortage of male workers in harvesting the \$6,000,000 tobacco crop this year, Lancaster County, Pa., has called on its women to drive tractors and do other work in the fields. Here are three sisters and a brother hard at work. They are Mary, Elizabeth, Mildred and Paul Mowrer, of Columbia, Pa.

### Harris Gives Hints For Seeding Lawns

The greatest cause of lawn failure is not the kind of seed sown but the poor fertility and physical condition of the soil, says John H. Harris, extension landscape specialist of N. C. State College.

If the seed bed is poor and especially if it is lacking in humus, a crop of peas or beans should be grown and turned under to improve the fertility of the soil. Unless the land is very fertile, a one- to two-inch layer of well-rotted manure should be worked into the soil.

Harris pointed out that no amount of commercial fertilizer will take the place of manure and cover crops, since the latter adds humus which collects and holds moisture for grass during hot dry summers.

When top soil has eroded, it should be replaced. To stimulate quick growth from 500 to 600 pounds per acre of some commercial fertilizer such as 6-6-6, should be added. The soil should be allowed to settle and only the top layer pulverized for sowing the seed.

For home owners who want to have a winter lawn, the State College landscape specialist says nothing equals Italian rye grass. This should be sown on top of the other grass in September. Better results are obtained if the lawn is raked vigorously or a small amount of top soil used to cover the seed.

### Leaks!

Vegetables high in Vitamin "C" content when they are taken from the field, lose the body-building ingredient rapidly during the time between harvest and the dinner table.

Repeating the proposition, Brooks was struck by Everton, whose life was later threatened. Deputy Bill Hanslip was called, and he placed Brooks in jail.

### Iron Rations for U. S. 'Chutists

Lieut. Col. Paul P. Logan, of the Quartermaster Corps in Washington, D. C., explains the new "vest pocket" rations devised for U. S. paratroopers. Three complete meals, rich in vitamins and minerals, fit into tiny boxes. Dinner, for example, consists of eight vitaminized crackers, four pep tablets made of dextrose, three ounces of ham spread, a tube of bouillon and a stick of chewing gum.

### Jamesville Man Is Jailed By Deputy Haislip Here

Charged with being drunk and disorderly, Orlander Brooks, Jamesville colored man, was arrested there last Saturday afternoon after he had threatened the life of a citizen. Approaching A. J. Everton, Brooks told him he would pay him 50 cents to carry him to Dardens and if he didn't carry him he was a common scoundrel, or words of similar meaning.

### Grandstand Show At the County Fair Has High Rating

### Attractions To Be Presented By Jimmy Daley For the American Legion

When the Martin County Fair opens at Williamston next Tuesday, the grandstand attractions will be presented by the Jimmy Daley Attractions, of Albany, N. Y.

They have promised the fair patrons a platform show that will furnish them with plenty of novelty, laughs, comedy and singing and dancing.

Harry Taylor and his Kewpie Doll Revue, billed as "Two Tons of Laughs" will provide the comedy, singing and dancing end of the show, while that imitable master of ceremonies, Jimmy Reynolds, will present each and every feature during the show.

That sky-high attraction known as "The Sky Man" will furnish plenty of thrills for those that like aerial acts. Another feature act will be "Circus Night in England," an act that formerly played every leading vaudeville theatre in the country. This act is an acrobat novelty dressed like a large giant bullfrog.

Toto, that nonsensical drool from No-where, will keep the kiddies in stitches with his nonsensical antics. This attraction has been with some of the largest circuses throughout the country and nobody can ever figure out what he'll do next for a laugh.

The American Concert Band will play all the old and new numbers during their concert before every performance.

On Friday afternoon, October 3rd, the attraction that is thrilling the nation—Buddy Lamar and His All American Death Dodgers, will appear in addition to the above show. This bunch of auto-maniacs will go through their stunts and tricks and keep everybody on edge. They will show the public what not to do with the family automobile. Head-on crashes, roll-overs, going through burning walls, fences with a man riding on the hood, dragging a man through fire around the track and many other daring stunts that cause many a shiver are just a few of the attractions that will appear during the week of the Martin County Fair.

### Wins Golf Title

New women's national golf champion is Mrs. Betty Hicks Newell, 10, of Long Beach, Cal., shown with her cup after defeating Miss Helen Sigel, of Philadelphia, 5 and 13 in the finals at Brookline, Mass.

## 10% TAX ON ALL FURS

EFFECTIVE OCTOBER 1st

There is no better time than the present to buy your coat. By-nature we are not alarmists, but we must face the realities and these facts are that ladies' coat prices will be much higher next month with a 10 per cent federal tax on all furs as of October 1st, which will make any fur-trimmed coat cost at least 10% more.

Buy now and save the difference as we have anticipated your requirements and bought a coat for every occasion and every customer. We hope to have the opportunity of serving you . . .
