AN IMPORTANT ANNOUNCEMENT by the Secretary of the Navy

"All men now enlisting in the Naval Reserve will be assigned to active Navy duty throughout the period of their enlistment but they will be released to inactive duty as soon as the Government agency as their services can be spared, regardless of the time remaining in their enlistment."

Frank
SECRETARY OF THE NAVY

HERE IS THE OPPORTUNITY THAT THOUSANDS OF MEN HAVE BEEN LOOKING FOR

Here is your opportunity to have all the advantages and privileges of Navy life but with a shorter enlistment.

Many men do not realize—but it is a fact—that your pay, your training, and your chances for advancement in the Naval Reserve are exactly the same as in the Navy itself.

not necessary), you can get right away—with no experience. Also, if you have special credits, there are special opportunities to come a Naval aviator.
