### Band Benefit Party Here Is Big Success

The band benefit game party held last Thursday night in the gym was a success both from an entertainment and financial standpoint. The affair was sponsored by the Band Parents Association for the purpose of raising money to provide new uniforms for the high school band.

The band opened the program with a short concert which featured a new march, "The Hall of Fame," which had been in rehearsal only a week. Mr. D. N. Hix gave a brief talk summarizing the progress of the band during the past year, and its plans for the future. The guests then turned to the games and refreshments which were in charge of the band mothers.

At 9:30, Mr. Butler conducted the drawing of the evening. In this manner prizes were distributed to holders of lucky tickets. Approximately 100 prizes were given away; these prizes were presented for the occasion by the merchants of the town.

This is only the first of several such affairs which are being planned for this purpose. Through able cooperation of the parents, merchants and friends, the band has the sum of \$146 in its uniform fund.
