EVERY MORNING FOR 30 DAYS ROUSE YOUR LIVER BILE

Sleep sounder—Get up feeling great More ready for a good day's work To be normal your liver should discharge about a full quart of digestion-aiding bile juices every day. A scanty flow—a slowing up may mean Sick Headaches, so-called Biliousness, Poor Digestion with that half-sick, sour feeling.

Snap out of it—you can. Get a bottle of Kruschen Salts tonight: start right in tomorrow morning and take half a teaspoonful in a glass of water (hot or cold) half an hour before breakfast, and keep it up for 30 days. Now you'll know what it is to get up feeling fit and ready for a real day's work. Try Kruschen for the next 30 days and see what it means to you when Bile Flows Freely. Satisfaction guaranteed or money refunded. Clark's Pharmacy.
