HINTS FOR HOMEMAKERS

By Irene James, Home Service Director, Virginia Electric and Power Company

THE HEALTH LINE OF DEFENSE

Armistice Day this year took on a new significance to American homemakers. More than ever before, we should be thankful that we can sit down with our families to a table well filled with food and with a feeling of security, knowing that the good old U.S.A. is well protected by its first line of defense — the fine group of young men in our army camps all over the country.

Expert nutritionists and dietitians are employed by our Government to make sure that these boys are well fed and thus remain healthy and happy. The foods that are served them are of the common everyday variety, but a special check is made to see that each meal is well balanced with proper combinations. American homemakers should consider it their place in America's second line of defense to serve their families just as balanced meals as those served to our first line.

How do your days' menus compare with this sample, which is typical of those meals served our lads all over the country?

Happenings In The Farm Life School

Long tables were put in the yard on which the plates were arranged. Fruit, candy and peanuts were served. Thanksgiving napkins carried out the holiday motif.

On Wednesday morning, Nov. 19, the third grade children entertained their mothers with a Thanksgiving party.

They gave a program consisting of songs, Thanksgiving stories and poems by the verse speaking choir. They then served refreshments.

Mothers attending the party were Mrs. Eason Lilley, Mrs. W. T. Roberson, Mrs. M. H. Leggett, Mrs. Nick Daniel, Mrs. John A. Griffin, Mrs. M. R. Lilley, Mrs. P. B. Lilley, Mrs. W. B. Wynne, Mrs. N. C. GRIFFIN-WILLIAMS

Miss Edna Elliott Williams, young daughter of Mr. and Mrs. Ed Williams, of Beaufort County, and Hugh Berkley Griffin, son of Mr. and Mrs. A. Dawse Griffin, of this county, were married at the home of Rev. and Mrs. W. B. Harrington in Farm Life community yesterday morning at 10:30 o'clock. Rev. Mr. Harrington performed the ceremony. Only a few friends of the couple witnessed the ceremony.

Following a wedding trip to Virginia, the young couple will be at home with the groom's parents until January 1 when they will make their home in Williamston where Mr. Griffin is employed by the Farmers Cooperative Exchange.

came to see us, and brought us ice cream and cakes. We enjoyed it very much.—The third grade.

On Wednesday, Nov. 19, the seventh grade had a delightful party. Mrs. Eugene Roberson gave her son, Nathan, a surprise birthday party in school and each child gave him a small gift. We played bingo and the prizes were awarded to Simon Hardison, Betty Perry, Mack Donald Griffin and Leslie Manning. The award for the "Crazy Fox" game was given to Thelma Clyde Manning, who scored the highest number of points.

After the games were over Mrs. Roberson's assistants, Ida Mae Corey and Verna Roberson, helped to serve the refreshments. In the birthday cake were a nickel and a penny. Whoever got the nickel in his slice of cake would be married first and whoever got the penny would be a bachelor or an old maid. The nickel was found by Betty Perry and the penny was found by Oscar Tice. Our refreshments consisting of cake, pickles and grapejuice, were enjoyed by the whole class.

CARD OF THANKS

To our friends and to our neighbors who have so kindly and sincerely thanked for the many gifts and acts of kindness performed in our behalf during the illness of our daughter, Leslie.
