

# House Of David Quint In Return Match Here On Sunday

## "Bearded Boys" Will Give "All-Out" Show

### Martins Lose Last Exhibition By 11 Points; Diem Stars

### "Show" To Get Underway in "Well-Heated" Gym At Three O'Clock

The House of David's nationally known basketball team will make its second appearance of the season here when the outstanding quint will return for an exhibition with the Williamston Martins in the high school gym Sunday afternoon at 3:00 p. m.

Those fans of this section who saw the bearded boys in action about a week before Christmas can easily recall the brand of basketball to be expected here next Sunday afternoon. But for the benefit of those unfortunates who found it impossible to witness this extravaganza, we would like to turn back for a moment to that date.

The Davids won over the Martins by the score of 47-36, but the large crowd of spectators didn't seem to care about the score, as they stayed in an uproar at the antics and the perfect display of court tactics, despite the fact that the game got underway over an hour late due to unavoidable circumstances. Ham Hamilton and bald Bill Steineke offered an exhibition of dribbling, passing, shooting, clowning and what not, that was surpassed only by our own Pappy Diem, who matched them—trick for trick—and was high scorer for the afternoon with 18 points.

Hamilton, who jitterbugs and dribbles at the same time, possesses a deadly eye for set shots from the middle of the court. Before the last exhibition, he told us that he had to play "under wraps." According to Ham, "We were playing a gang up

## Eagles To Play Army Quint Here Tonight

Williamston's All-Stars, a team composed of the local Eagles and the surviving Martins, will join together tonight at 8:30 o'clock to battle the team of the Company A, 30th Engineers Battalion. This company, about 150 strong, is now stationed at Ahsokie.

According to reports, the Engineers have a strong club, and this week they easily defeated a picked all-star team of Ahsokie. Their captain, it is understood, was a star for Carnegie Tech the past season and they have several other ex-college players on their roster.

However, the locals are planning to give them a battle, with Pap Diem, Fenner Wallace and Jack Manning joining with the Eagle "aces" and they should present their strongest team of the season. So when these two teams meet tonight, a thrilling battle should be in the offing.

The gym will be heated, and all fans should avail themselves of the opportunity to witness this game. The local management hopes that a large crowd will be present, and extends a special invitation to the fairer sex. It is thought the Engineers will be over in large numbers.

## Dr. Pepper Doing His Bit For War

The Dr. Pepper Bottling company calls the attention of its many friends and customers to the fact that we are in a total war and that any and all sacrifices must be willingly made.

In an advertisement which was run in this paper, the company asks that its friends do their part to help in this national emergency, by cooperating with their Dr. Pepper dealers. "Occasionally your dealer may say 'Sorry Dr. Pepper's sold out for today.' You can help him by remembering that the amount of sugar for soft drinks has been rationed and that he is doing the best he can for you.

The Dr. Pepper Company suggests that you use your "Dr. Pepper" money to buy Defense Bonds and Stamps in the coal region. It seemed as though those toughies didn't like the idea of getting beat, so they took a poke at me. I came up minus several front teeth, and if you'll look in that sweat jacket you'll find a plate. I don't want that 'store-bought job' knocked out so I'm keeping them under wraps."

The Martin line-up will consist of Fenner Wallace and Jack Manning at forwards; Shorty Corey at center; and Pap Diem and Breezy Beard at guards.

Due to the war situation there has been some doubt as to whether the House of David will send a team on the road next season, so a record crowd is expected to attend this exhibition Sunday afternoon in the local gym.

## A Pot Shot Of Sunday's Headliners

A glance at the picture above will remind you of the most comical-looking basketball team in the world—and these stars can

keep 'em laughing all the way through. But the House of David quint can also present a fine exhibition of the court game when they care to. Returning

here for the second time this season the bearded gents will contest the Williamston Martins in the high school gym Sunday afternoon at 3:00 o'clock.

## Illegal Distillers Use Much Sugar

The Statistical Section of the Federal Alcoholic Tax Unit, Bureau of Internal Revenue, has estimated that 1,657,000 100-pound bags of sugar were used by illicit distillers throughout the country in the stills seized during the fiscal year 1941. This estimate is based on the reported mash seizures, the reported period of operation and mash capacity of seized stills, and the reported type of material used at each. There were 6,868,078 gallons of mash seized, of which 6,150,887 gallons (89.56%) were sugar mash. The estimated total mash for the seized stills was 111,014,000 gallons of which 89.56% is estimated to have been sugar mash. This 99,424,138 gallons of sugar mash basing yield on the known average, would have required at its base 1-657,069 100-pound bags of sugar.

This 1,657,000 100-pound bags of sugar is a conservative estimate, therefore, of the quantity used by illicit distillers during the fiscal year. This amounts to 82,850 short tons, or 2,071 freight car loads. This means 41 fifty-car train loads of sugar were diverted to illicit alcohol and whiskey during the year, or 5.67 freight car loads daily.

To view the diversion in another manner, it can be stated that 138,083 bags of sugar were used in illicit stills each month, or 4,540 bags per day, 189 bags per hour, or three bags per minute.

It would appear that in the present emergency the Government

should be interested in this tremendous diversion of sugar for two reasons. First, the fraud on the revenue would run into amazing figures; second, the necessity for using ships for other cargoes than sugar should make it important to keep all sugar in legitimate channels.

**NOTICE OF SALE**  
North Carolina, Martin County. Under and by virtue of the power of sale contained in a certain deed of trust executed to the undersigned trustee by Thad Newsome, Jr., and wife, Jennie Newsome, on the 7th day of May, 1937, and of record
