# **Gold Mining Being**

The mining of gold is being stopped by WPB, mainly to release some economists on both sides of the Atlantic, whether gold will ever come back to the eminence it has known throughout virtually all recorded and manganese, and even iron. That the stick by which all other tanks as one of the most bittself values are measured. The success and manganese, and even iron. That ranks as one of the most bitterly symbolic news items of the year—or of a generation, for that matter. It makes absolutely official the depressing fact that copper, and steel, and aluminum and nickel, and other metallic sinews of war are more precious than gold in these times when the whole world is using military power as the primary medium of exchange, when the weight and dard."

power of armed might is almost the sole bargaining factor that the world dares to recognize . . . Gold won't Stopped By WPB dares to recognize . . . Gold won't buy the things those other metals

## Double Wings for Yank Fliers

Sir Sholto Douglas, Air Chief Marshal of the British Royal Air Force, is shown as he inspected members of the three American Eagle squadrons of the RAF before they were transferred to the U. S. Army Air Force. The Eagles still wear their RAF uniform. With the U. S. A. A. F. they will operate as a fighter group, retaining their identity as Eagles. (Central Press)
