State College Hints For Farm Homes

By RUTH CURRENT
The right daily foods supply building and repair materials to the body and ward off some kinds of disease. No one food can do everything. It takes a number of kinds of keep fit.

You can carry lunch in a box or pail and still have a complete and satisfying meal. An active worker may need as much as one-third of the day's food at lunch time. Furthermore, lunch should be appetizing and easy to eat.

In sandwiches: Use whole-wheat, rye or enriched bread; now and then rolls, corn bread or biscuit.

As sandwich fillings: Don't forget baked beans with or without catsup; eggs firmly fried or scrambled; fish; chopped liver; corned beef; peanut butter or peanuts ground up and mixed with top milk, and cheese, many ways.

Vary the flavor of sandwiches with pickle, mustard, onion, catsup, horseradish, or salad dressing.

Fruit every day: Always include an orange, an apple, or some other fruit. When fresh fruits are scarce, use dried fruit, or canned fruit in a small jar with a tight top.

Raw vegetables: For something crisp and for added vitamins and minerals, put in carrot strips or wedges of cabbage, celery, cucumber sticks, turnip sticks, or pieces of cauliflower. Whole tomatoes with salt are good. Sometimes make a raw vegetable sandwich, with chopped water cress in butter, for instance.

The baby and beauty contests, sponsored by the Junior class of the Farm Life school, will terminate the same night of the pie party and the winners will be announced following the pie party.

A special program will be given by the students of the school and a small admission of ten cents will be charged. The funds realized from the door receipts will be invested in stamps.

NORTH CAROLINA FACTS!

WILMINGTON CLAIMS "WORLD'S LARGEST CHRISTMAS TREE"—A MOSS-FESTOONED LIVE-OAK DECORATED FOR THE CHRISTMAS SEASON—70 FEET HIGH, 15 FEET IN CIRCUMFERENCE

IN 1799 A 17 POUND NUGGET OF GOLD WAS FOUND IN CABARRUS COUNTY!

ALMOST 1,000 PEOPLE RECEIVE STEADY EMPLOYMENT AND \$1,000,000 IN MONTHLY PAY FROM THE NORTH CAROLINA BREWING INDUSTRY.

The Brewing Industry, jealous of beer's good name, employs self-regulation to maintain wholesome conditions where beer is sold.
The beer dealer's license pledge binds him not to sell to minors, or to those who have over-indulged. It prohibits gambling—rough or coarse language—or hang-ers-on of a questionable character.
Those dealers who do not observe these simple rules are not welcome in this business. To them we say: "Clean Up or Close Up". If they don't clean up, after being warned, state enforcement officials will usually revoke their licenses on our complaint.
Encourage the good dealer, shun the law-breaker. That's how you can help!
