## Stiffer Resistance Offered By Germans In Sevastopol Battle

### Mighty Air Offensive Centered in Balkan Countries In Past Few Days

After staging possibly one of the greatest sweeping drives in months, the Russians are now closing in on the important Black Sea base of Sevastopol, but late reports declare that the Germans are offering a stiffening resistance there, indicating that the fall of the city will be delayed a short time.

The Moscow midnight war communique announced that troops of Gen. Andrei I. Yeremenko's independent maritime army advancing toward Sevastopol from the southeast through the Baidar valley were in hot pursuit of the enemy, who was abandoning arms and equipment in retreat.

Gen. Geodor I. Tolbukhin's Fourth Ukrainian Army, however, was meeting "strong resistance" as it reached the doors of a powerful ring of German fortifications anchored on the heights east and northeast of the battle-scarred city. In yesterday's fighting the Fourth Army captured Mekenziev, three miles northeast of Sevastopol, across Sevastopol Bay, and Cherkez Kerman, eight miles east of the city.

Although the capture of Mekenziev placed the Russians just a little under three airline miles northeast of Sevastopol, they actually were about five miles overland from the city, for to reach it from Mekenziev, they would have to swing east and then west around the eastern end of Sevastopol Bay. Sevastopol is on the south shore of the bay and Kekenziev is 1 7-8 miles above the north shore.

At all points around the city the Russians were facing powerful fortifications; and for that reason, military experts doubted continuing reports that the fall of Sevastopol was a matter of hours.

The stalemate, while subject to explode at any time, continues on the Italian front, a report this morning stating that the Germans fired flares on the Cassino front all during last night apparently in expectation of an attack. In the Anzio beachhead, the Allies yesterday recaptured a strong point.

The Allied air attack is in progress over western Germany today, and the invasion coast is still being pounded. However, the air attack, now going into its fourth straight day, is apparently being directed mainly on targets in the Balkans. Important rail centers have been blasted at Sofia, Belgrade, Budapest and other objectives in those areas.

The mighty demonstration of Allied air power over the Balkans was designed to halt the flow of supplies (Continued on page six)

## Prominent Educator To Address Meeting

Dr. Clyde Erwin, State Superintendent of Public Instruction, will address the Williamston Parent-Teacher Association next Thursday evening, April 20, in the high school auditorium. The high school gym club will render a special program of music to open the meeting, which will begin at 8:30.

Dr. Erwin is a prominent educational leader, and is very much in demand as a public speaker. He is scheduled to speak tomorrow in Durham at the State Convention of the Congress of Parents and Teachers.

Thursday evening's meeting will be the only night meeting of the local association, and it is hoped that a large representation of men and women will be present to hear Dr. Erwin.

Mrs. Herbert Taylor, program chairman, has invited leaders and members of other associations of this county to join the meet with the local association Thursday evening and it is expected that all the communities of the county will be represented.

## Funeral Sunday For Mrs. James H. Jones

Funeral services were conducted last Sunday afternoon at 4:30 o'clock for Mrs. Eula Mae Jones who died rather suddenly at her home near here last Friday. Rev. Gower Crosswell, her pastor, conducted the last rites and interment was in the Moberly Cemetery.

Mrs. Jones, 42 years of age, suffered a stroke of paralysis late the evening before, and never regained consciousness. Surviving are her husband, Jas. Henry Jones; two daughters, Mrs. Joseph Keel, of Portsmouth, and Lucille Jones, of the home; two sons, John Henry Jones, of Norfolk, and Jesse Moore Jones, of Everett, and six sisters, Cleve and Mattie Perry, of Tarboro; Mrs. Joe Harvey, of Norfolk; Mrs. H. J. Dickens, of Boston, Mass.; and Mrs. P. A. Johnson and Mrs. John Mielewski, of San Francisco, Calif.

## County Democrats To Hold Precinct Meetings Saturday

Inactivity, the democratic party organization in this county will be held on Saturday of this week and in the county convention to be held the following Saturday, April 29, it was announced today by Elbert S. Peet, chairman of the Democratic Executive Committee.

While the county organization ordinarily is not burdened with duties, its function is important and all democrats in good standing are urged to participate in the meetings in their respective precincts and see that they are represented at the county convention. No hours or places for the precinct meetings were fixed, the county chairman expressing the hope that the precinct leaders will meet at their convenience some time during the day and elect their delegates and alternates to the

## More Men Report For Pre-Induction Exams

### CHANGES

Out of the thirty-nine appointments, only two changes in the election precinct personnel have developed, according to Mr. Sylvester Peet, chairman of the Martin County Board of Elections.

Rupert Rawls, registrar for Goose Nest Precinct, resigned, and his brother, J. A. Rawls, was appointed to succeed him. L. R. Everett, Hamilton Precinct judge of election, tendered his resignation and he was succeeded by his brother, J. B. Everett.

It is understood that Mr. J. R. Winslow, member of the county board of elections, is tendering his resignation since he has entered the primary as a candidate for the house. His resignation has not been announced and the State Board chairman has not named a successor.

## Farmers Interested In Treating Peanut Seed In This County

### Several Demonstrations Held By Agents During Past Several Days

Many farmers from different sections of Martin County have attended demonstrations on the ceresan treatment of peanut seeds, held by James C. Eubanks, County Supervisor of the Farm Security Administration.

The first was held on Monday, April 10, at Ernest Hayes in the Darzens community. Due to sickness, Mr. Eubanks could not hold the demonstration, but Mr. L. L. McLendon, Assistant County Agent, went down and conducted it.

The second was held Thursday, April 13th, at Heber Smith's farm, five miles above Oak City, and the third was held Friday, April 14th, at A. W. VanNortwick's farm, three miles from Williamston.

The latter two were well attended and much interest was shown in the treating of seeds, and the methods used for treating.

There will be a demonstration in the Bear Grass section on Friday, April 21, for the colored people.

The treating method is very simple, however, extreme care has to be exercised not to scar or skin the peanut seed. One hundred pounds of seeds were accurately weighed out and placed in a barrel. Three ounces of ceresan was then sprinkled in the barrel on the seed, after which a head was placed over the barrel. The barrel was rolled over and over until every seed was coated with the ceresan. At every demonstration those present were cautioned against getting in a hurry and rolling the barrel too fast, as this will cause the ceresan to be washed off.

The process should be very slowly done until about six revolutions have been completed, then stand the barrel up at a 45 degree angle and roll around twice, lay the barrel down again, and roll back the six revolutions.

### ROUND-UP

Local officers were kept fairly busy last week-end rounding up and jailing drunks. Five were arrested and jailed for being drunk and disorderly, and a sixth victim was jailed for issuing a worthless check. Several other persons were arrested for various alleged infractions of the law, but they arranged bond and escaped a stay in jail.

Three of the group arrested and jailed were white, and the ages ranged from 20 to 42 years.

**Veterans Quickly Find Jobs**  
Of the 11,516 veterans who applied for jobs, 6,361 found work immediately during a demonstration program opened in January by the U. S. Employment Service, the War Manpower Commission announced.

This service for veterans will be continued and expanded to USES local offices throughout the country, where veterans will be permitted to "shop around" before deciding on a job. Job opportunities for physically handicapped veterans from this war will be better than they were for the handicapped veterans of the last war, in the opinion of WMC, based on recent studies.

Placements of handicapped workers in 1943 were approximately seven times the number placed in 1940. A large proportion of the physically handicapped require only careful job placement. Veterans will be hired in OPA offices and boards throughout the country as rapidly as vacancies occur. About 2,500 vacancies occur each month.

**New Shoe Stamp Announced**  
Beginning May 1, Airplane Stamp 2 in War Ration Book Three may be used for buying one pair of rationed shoes, OPA announced. The new stamp and Airplane Stamp 1 will be good indefinitely. Stamp 18 in Book One will expire April 30. From May 1 through May 20, children's low-priced shoes (maximum \$1.60 per pair) in sizes 8 1-2 through 12, and misses' and little boys' shoes in sizes 12 1-2 through 3 will be rationed-free. In 1943 sales of civilian rationed shoes exceeded production by more than 53 million pairs, which made it necessary late last year to decrease the number of shoes available to civilians.

## Prominent Citizen Of Hamilton Died In Hospital Today

### Funeral Services Will Be Held For Gladstone Anthony Wednesday

W. Gladstone Anthony, prominent Hamilton citizen, died in a Rocky Mount hospital this morning at 4:15 o'clock following an illness of only a few days. He had been in declining health for possibly several months, but he continued active until last Tuesday when he was forced to take his bed. Yesterday, his condition became worse and he was removed to the hospital where, it was reported, his blood pressure dropped to around thirty. Death was attributable to that and a complication of ailments.

The son of the late J. B. and Lula Anthony, he was born in Hamilton 54 years ago last September. In early manhood he was married to Mrs. Erin Shields Herring of Hobgood. A son, R. G. Anthony, of Portsmouth, survives the union. Several years ago he was married to Miss Susan Allgood of Hamilton. Besides his wife and son he leaves a sister, Mrs. W. J. Beach of Hamilton.

Mr. Anthony spent most of his life farming, but in recent years he was engaged in the mercantile business and more recently he was employed by the local telephone company. Few men were ever held in higher esteem in his community than Mr. Anthony was. He placed his own interests second to that of his fellowman, and friendships were placed before his own financial considerations. In fact, it is said that he spent most of his life and time in the unselfish interest of others, accommodating his friends and aiding the needy willingly and often. His friendly and helpful acts stand as a lasting monument to his memory.

Funeral services will be held at 9 o'clock Wednesday afternoon at the home of Mrs. R. Burrell, Baptist minister of Williamston. Interment will follow in the Hamilton Cemetery.

## Art Exhibit Open In Club Hall Here

About 150 fine art masterpieces are on display in the local school club room this week and the public is cordially invited to view the exhibit until 6 o'clock p. m. or before 8 and 10 p. m. this evening. The reproductions are from the works of the French, Italian, Flemish, English, Dutch, Spanish, German and American masters.

A small admission fee is being asked, and the proceeds will be used in buying pictures for the local schools.

## Several Food Items Are Removed From Ration List

In a special order issued last week-end by the Office of Price Administration, shortening, salad oil and cooking oils were removed from the ration list, effective Monday, April 17th.

Retail and wholesale merchants will find it advisable to inventory those items to protect themselves against point losses, it was suggested.

**Large Number Tires Allotted In County By Rationing Board**

**Issuance Last Friday Largest Recorded During Past Several Months**

The Martin County War Price and Rationing Board panels hit a liberal streak last Friday night when they allotted 128 tires, including 55 Grade I's, 64 grade III's and nine for trucks. The issuance was the largest recorded at any one time in this county during recent months.

Issuing at a previous meeting Grade I tires in error to J. H. Gray and D. N. Hix, the board last Friday substituted Grade III's, it was pointed out.

Truck tires and tubes were issued as follows:

- G. and H. Builders Supply Co., Williamston, 2 tubes.
- Roberson Slaughter House, Williamston, 2 tubes.
- Overton and Oscar James, RFD 1, Williamston, 2 tires and 1 tube.
- H. H. Worsley, Oak City, 1 tire.
- Farmville-Woodward Lumber Co., Williamston, 2 tires.
- W. E. Dudley, Williamston, 1 tire and 1 tube.
- Farmville-Woodward Lumber Co., Williamston, 1 tire and 1 tube.
- J. E. Andrews, Williamston, 2 tires and 2 tubes.

Grade III tires and passenger tubes were issued as follows:

- Glady's Pierce, Jamesville, 1 tire and 1 tube.
- C. D. Pittman, Williamston, 1 tube.
- Gomer Taylor, Williamston, 1 tire.
- C. E. Flanagan, Hobgood, 1 tire.
- Elmo Bullock, Robersonville, 2 tires.
- G. H. Martin, RFD 2, Williamston, 1 tire.
- McKinley Williams, RFD, Palmyra, 2 tires.
- Claud Simmons, Robersonville, 1 tire.

## Scoutmaster Gets Good "Send-Off"

Serving as scoutmaster here for some time, Marion Cobb, for nearly four years clerk of the Martin County Draft Board, was given a good "send-off" by local Boy Scouts last night.

The young man and about a dozen other draftees from the town hall to the bus station.

Tens of hundreds of men have left the county, but the parade last Friday was the first farewell gesture that had been planned for the men answering the call to the colors. It was a surprise for Mr. Cobb and the other boys.

## County Schools Make Changes In Schedules

In an effort to release as much labor as possible for farm work, many of the county schools are changing their daily schedules. In most cases the daily session gets underway half an hour earlier, while in other schools, the session is opened even earlier and ended soon after the noon hour.

Beginning tomorrow, the Williamston schools will open the morning session at 8:50 o'clock.

## CANCELED

Regardless of their job status, no men thirty years or older are to be drafted for military service for the present, at least, according to reliable information received here this morning. The list of men in the 18-25 age group, inclusive, is to be exhausted first and men 26-29, inclusive, who are not in "essential" jobs are to be called before men thirty years and older are called, it was explained.

Had the order been received a few days earlier, most of the men leaving this county last Thursday and Friday would have had their induction cancelled, it is understood.
