## Hold Brotherhood **Dinner Wednesday**

The annual Brotherhood Dinner of the Disciples of Christ was held Wednesday evening at 7:30 in the dining hall of the Woman's Club. The well prepared and excellently served dinner was taken care of by the Junior Philathea Bible Class. Due to the inclemency of the weather the attendance was held to about one hundred. The theme of the program was "For the Healing of Humanity."

Rev. John L. Goff, pastor, acted as leader. After the singing of the Doxology, Mr. Sam D. Bundy, principal of the local schools, offered the prayer of thanksgiving. Mr. Joel Muse then read the greetings from many of the churches scattered over the State. After the dinner a panel discussion on "The Ministry of Healing," was participated in by Mr. E. S. Peel, Mr. James C. Manning and Mrs. David Roberson.

An offering was then taken to repesent the local church in the Brotherhood's participation in its healing ministry to the suffering of the world. The music was furnished by Mrs. W. C. Manning, organist of the church. After singing "Bless be the Tie that Binds," the meeting was closed with prayer and benediction by Mr. R. W. Bondurant.
