

What Can You Spare that they can wear?

•Burlap skirts, instead of real pants, and no shoes, stockings or underwear is the war-imposed style for this homeless Greek boy and thousands like him. To help protect these war victims against cold and disease, round up all your serviceable used clothing, shoes and bedding for the United National Clothing Collection.

Give Clothing to the United Collection for Overseas War Relief . . .

Across the barren wastes of war-torn countries wander multitudes of dazed and destitute people. Their appalling number, in Europe alone, is 125 million, of which more than 30 million are children. They are living in the ruins of their homes. They are working in their ravaged fields. They are kept alive more by courage than by food; warmed more by hope than by clothing . . . working and waiting . . . even as we . . . for total peace.

These men, women and children — innocent victims of Nazi oppression — have been robbed of all but life itself. During five long horror-filled years of war, the clothes on their backs have worn to pitiful shreds and rags. Production of new clothing has been impossible, so their need will continue long after the end of hostilities.

150 Million Pounds Needed!

So scarce and scanty have their garments become that, during winter months, deaths from exposure have equalled, and in some areas even exceeded, deaths due to starvation and malnutrition. Look over your family's wardrobe, now. Pick out every garment you can possibly spare.

WHAT YOU CAN DO . . .

1. Get together all the serviceable used summer and winter clothing you can spare. This includes men's, women's, children's, and infants' wear, and shoes. Overcoats, topcoats, work clothes, suits, dresses, shirts, skirts, jackets, pants, gloves, underwear, sleeping garments, robes, sweaters, shawls, and all knit goods. Also blankets and bedclothes.
2. Take your contribution to the Virginia Electric and Power Company which has offered the use of their showroom for the storage of these clothes. Bring your items in before April 30th.
3. Support your local organizations, not only with your clothing contributions, but also with your time, effort and energy.

The daily problem of this youngster is to get his head, arms and legs through the right holes in his only garment. It's a common problem for millions of men, women and children in war-ravaged lands abroad. You can help them by contributing serviceable used clothing, shoes and bedding to United National Clothing Collection.

This Drive Sponsored by Kiwanis and Lions Clubs, and Junior and Senior Woman's Clubs.
