## TAKING RETONGA BEST INVESTMENT SAYS NURSE

Everything She Ate Seemed To Disagree With Her, Weight Was Down To 112 Lbs., She States, Feels Better Now Than In Years.

"After the wonderful relief Retonga gave me I would feel selfish not to pass the good word on to others," gratefully declares Mrs. Mary Lola Lawrence, well known practical nurse of 4500 11th Ave. North, Birmingham, Ala. Discussing her case she happily stated:

"It seemed to me that every bite I ate disagreed with me and caused gas in my stomach until I could hardly breathe. I tossed and tumbled all night and felt as worn out mornings as if I had done a hard day's work. My appetite dwindled away, my weight went down to only a hundred and twelve pounds, and I felt terribly nervous and weak. I was forced to depend on laxatives for elimination, and I had about lost faith in all medicines.

"The relief Retonga gave me seems astonishing. All that terrible distress from gas and indigestion is relieved
