BAPTIST

9:45—Sunday School. Annual Promotion Day and installation of officers for new church year. Let us make this a really big day in our Sunday School with every member present; we especially urge all young people who will be promoted to be present and on time for the department opening services. This is a good time for those who are not attending Sunday school to join us. 11:00—Morning worship with sermon by the pastor. 6:45—Training union. 8:00—Evening worship; one of the best services of the church. Monday through Friday evenings at 7:30, church training week. For the five nights next week the

church is concentrating on a study of evangelism. There will be three classes as follows: Juniors studying "The Junior and his Church" taught by Miss Guest, Intermediates studying "Witnessing for Christ" taught by Mrs. Knight. Young people and adults studying "Winning to Christ" taught by Dr. Knight.

Every member of our church expects organizations will want to enlist in these study classes in order to be a better trained, more effective, Christian and church member and to prepare for real participation in our revival, November 1-11. Reserve this next week for study week and plan to be there each evening.
