Incorporated this week principally by local capital, the Colonial Frozen Foods Company has purchased two adjoining lots on North Houghton Street and let the contract for a \$50,000 freezer-locker plant.

The site for the new plant was purchased from F. U. Barnes and has a frontage of 100 feet and a depth of 150 feet.

A contract for the construction and installation of machinery and equipment was let to Barrett and Hill, contractors who have their offices in San Francisco.

The building is to house 511 individual lockers, over half of the number having been rented already.

In addition to the locker space the plant will have a curing room of 120,000 pounds capacity and freezing and chilling rooms.

The building itself will be of Colonial architecture.

After serving about three years in the Army, Harvey Yates, of Apex, was recently given his honorable discharge and is now planning to return to this county.

Mr. Yates, a former member of the Williamston school faculty, has accepted a position as math instructor in the Robersonville High School.

His mother has been quite ill, and it could not be learned today when he could report.

TOBACCO SALES

Sales on the local tobacco market are approaching and will mark the eleven million-pound mark today with prices holding firm for the most part.

WAR FUND

Miserably missing its mark during the allotted time, the United War Fund Drive is being extended in this county another week or ten days.

With reports coming from five townships, the drive in this county up until last evening had netted only \$3,775.88, an amount \$7,467.08 short of the goal.

So far the following have reported: Williamston, \$2,647.13; Bear Grass, \$307.70; Poplar Point, \$107.05; Cross Roads, \$280; Jamesville, \$314, and Dardens, \$120.

It is quite apparent that some of the canvassers appointed have been delayed, and they are being asked to complete the urgent task as soon as possible.

Fund Drive Among The Negro Citizens

Other than the lone report from Dardens, nothing had been heard from the United War Fund Drive among the Negro citizens until today when a member of the Central Committee for the five lower townships stated that there is a strong determination among the canvassers to meet the \$1,000 goal challenge.

Dardens exceeded its goal, and is the only district—white or colored—to meet the challenge and exceed the quota.

"As yet, however, we do not have the full assurance that all the Negro citizens have been reached in the worthy drive for suffering humanity, so we are asking each one who has not responded to his utmost to take part in the whirl-wind move by contributing as liberally when solicited," a member of the colored citizens' committee said.

The leaders are planning to carry the appeal to others on Saturday when public booths will be maintained at three centers.
