Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature in dissolving the inflamed, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Texaco Dealers In Meeting Here

(Continued from page one)
er Oil Company of Aulander. In opening the meeting Mr. Harrison pointed out that next February will find the organization 25 years old and welcomed to the meeting some who had just joined the Texaco dealer group and some who had not missed a meeting such as that Friday night in the past twenty years. He expressed regret that a few of the old-timers had found it impossible to attend.

If any one thing could be said to have been emphasized by each and every one on the program, it was the necessity of maintaining a clean filling station regardless of its size or facilities. Next on the list of important things to do was the improving of service to customers followed by advertising and orderly handling and maintaining of stock, including accessories. A motion picture entitled "Wanna Bet" graphically depicted the way a filling station can and should be run to make it a paying business.

Speaking of cleanliness, Mr. Harding told of the filling station operator doing business between Durham and Oxford. The Texaco company official came along on an inspection trip and complained of the untidy appearance of the place. "Why," he said, "your name is obliterated." "No, sir," came the reply, "It is O'Brien."

The hall was filled with neatly arranged displays and business getters. Everything was Texaco, Sky Chief, Fire Chief, Havoline, Firestone, etc. Everything, that is, except the meal which was up to Texaco standards in that it was tender turkey well prepared by the ladies of the Christian church and served promptly.

Representing the Norfolk division of the Texas Company were J. K. Pannill, assistant division manager, D. H. Voshall, in charge of sales promotion and who did most of the "business talking" for the meeting, J. V. Powers of New Bern, Firestone district manager, and R. D. Davis, salesman located at Elizabeth City for 24 years, and a veteran of the service department of the company, Archie Crosswell of Norfolk.

Also present at the meeting was Mayor Pritchard of Windsor and a veteran of thirty years with the company, Dealer C. W. Beasley of Colerain who recently received a Hamilton watch from the Texas Company in appreciation of his long association with it.

Attend Funeral Here

Returns To Atlanta
Mr. Dennis Hardy returned to Atlanta yesterday where he will undergo further treatment in Emory University Hospital.

Many Teen-Agers At Youth Center

Visits to the recreation center by teen-agers again numbered by a smaller percentage. Comedians and the Christian church and served promptly.

On Friday night, November 8, over two hundred last week-end, are requested to come to the center for the purpose of electing a youth council and voting on a name for the recreation center. The meeting is scheduled for 8:00 o'clock.

Copies Of The Bible Circulated In Russia

The Bible is not only being read in Russia but copies of the Bible are found in the pews of the churches, according to a report given the American Bible Society by Dr. Louie D. Newton, president of the Southern Baptist Convention. Dr. Newton was one of a seven-member delegation visiting Russia at the invitation of the Soviet Government.

"You will be glad to know," Dr. Newton reported to the Bible Society, "that several Russian soldiers came to me and said that they not only got Testaments supplied to them by the Society when they were prisoners of war, but they knew of thousands of others who did also. One lieutenant showed me his copy which he received while a prisoner of war and told me 'it was the reading of this Book while I was a prisoner of war in Germany that led me to Christ.'"

Thirty one counties in North Carolina have less than two hospital beds per 1,000 population.

Draperies and Slip Covers MADE TO ORDER

We are glad to announce that next Monday, November 4, we will be in a position to make your draperies and slip covers to order. We now have in stock over 1700 yards of slip cover and drapery fabrics, with a wide selection of blending colors in the quality that you desire. We also have in stock snappers and binding and other accessories to make a satisfactory job. In addition to the selection of fabrics which we now have in stock, we also have a large selection of samples for special order work for fabrics on which we can get one week delivery, enabling us to give you exactly what you want.

We have hired a seamstress who is experienced in this line of work. She is very good and will satisfy the most particular customer. We extend to you a special invitation to visit the balcony in our new extension store and discuss your drapery and slip cover problems with us.

We also want to call to your attention that in this same department we have ready-made draperies and ready-made sofa bed covers, curtains, bed spreads, shower curtains and many other related items.

We feel that we could not offer a more needed service to the housewives of this community than in offering what assistance we can in the way of a good seamstress and a selection of colorful fabrics to help them make their home more attractive and more liveable and we insist that you take advantage of this service that we hope to render you and we will do all in our power to offer you the quality and workmanship that you have been wanting in the way of slip covers and draperies.
