Bear Grass Girl Contest Winner

Edith M. Rogerson, 15-year-old student of the Bear Grass High School, has been declared the winner of the first-round of the 1947 Cooperative Essay Contest.

Writing on the subject, "Farming—A Year Round Business," the young Martin County student won top honors in the Bear Grass High School and will compete against winners from other rural schools for county, district and state-wide honors.

Prizes for the popular contest total more than \$1,000 in cash prizes and a year's college scholarship with the County winner receiving \$10. District prizes of \$25, \$15 and \$10, and State prizes of \$100, and scholarship, \$50, \$25 and \$15.

M. G. Mann, general manager of the sponsoring organizations announced this week that the deadline for submitting the school winners had been set for April 15, and that all County elimination would be completed by May 1. District elimination will be held in the early part of May with the State finals scheduled for the latter part of May.
