SHE CAN'T RESIST PRAISING RETONGA

Young Housewife Tells How Retonga Relieved Distress from Stomach Gases, Restlessness, Nervous Indigestion, and Sluggish Elimination.

"I am feeling so good now that I can't resist letting others know how much I think of Retonga," happily states Mrs. George Sweet, well-known housewife of 488 W. 2nd St., Lexington, Ky. Mrs. Sweet gratefully continues:

"For years I surely did suffer from nervous indigestion and sour stomach. I had a pitiful appetite and just had to force myself to eat to keep up my strength. My food seemed to sour almost immediately and cause terrible gas pains in my stomach. I felt so high-strung and restless that it was all I could do to get a few hours sleep a night. I had to use harsh laxatives for relief of sluggishness and I lost a good deal of my weight. The relief Retonga brought me from my suffering was a pleasant surprise. I now eat heartily, enjoy my food, and never worry about nervous indigestion, gas pains or sour food. I have regained over three pounds and I just know I'll be up to my normal weight soon. I've left off harsh laxatives, too. I am glad to praise Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at all good drug stores including Clark's Pharmacy, Inc. Adv.
