

Quartet Arrested For Violations By Various Officers

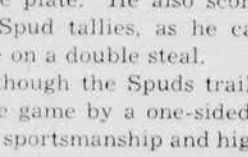

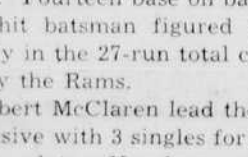

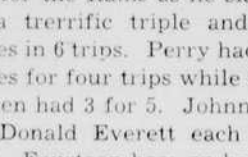

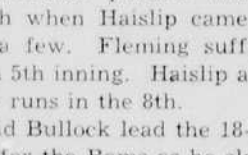

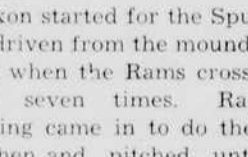

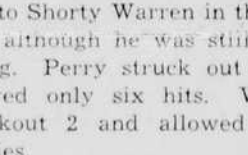

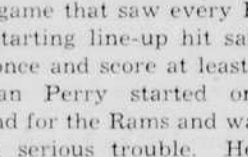

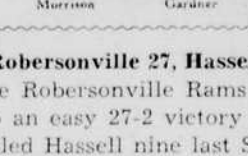

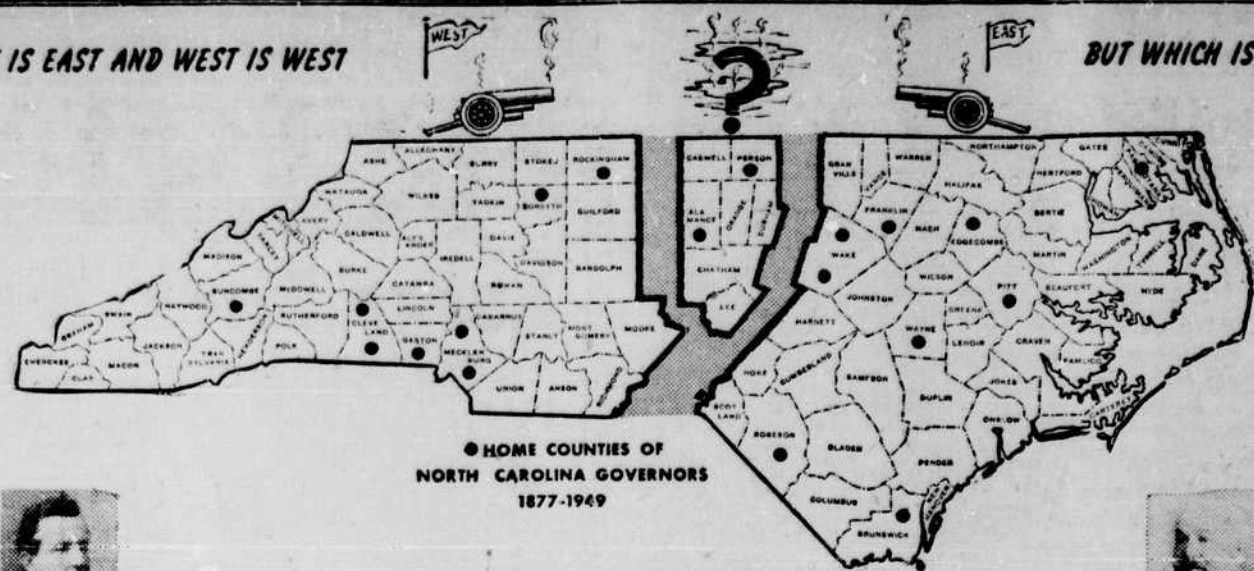

(Continued from page one)

Questioned about the groceries found in the car, the boys said they had bought them from Moring's father-in-law in Bethel. The police called Bethel, talked with Officer Walter Gray and were advised that no groceries had been bought as the boys had claimed. The officers then called several towns in the county but were advised by authorities that as far as they knew there had been no robberies. The police, however, held the groceries and the car.

Friday morning the sheriff's office was advised by Clay that his little store in Parmele had been robbed. Saturday the sheriff rounded up the same quartet in various parts of the county and carried them before Justice Johnson to answer the breaking and entering charge.

Released on Bail

ONE OF THE 12 alleged Communists indicted on charges of plotting the overthrow of the U. S. Government by force, Gus Hall, alias Gust Hallberg, is shown after he was arraigned in New York's Federal Court. He pleaded not guilty to the charges. Before Hall was released in \$5,000 bail, he had to spend four and a half hours in a federal detention cell because his bail bondsman showed up with a \$10,000 bill. The court clerks would not accept it. So the bondsman had to rush to the bank and get two "fives" for his \$10,000 bill. (International)

Two Unions Fail To Get Majority Vote In Election

(Continued from page one)

be learned why eleven or more on the company's regular payroll did not participate in the election.

The election, the second of its kind ever held in this county, attracted very little public attention. Rules and regulations set out by the National Labor Relations Board were observed and the vote was conducted fairly for each group.

Representatives of the unions, holding their distance during the voting hour—4:30 to 5:30 p. m.—stated that they saw nothing wrong with the way in which the election was conducted. However, no official notice of the outcome will be announced by the National Labor Relations Board for about ten days, giving all parties time to enter any protests.

Robersonville 27, Hassell 2

The Robersonville Rams romped to an easy 27-2 victory over a crippled Hassell nine last Sunday in a game that saw every Ram in the starting line-up hit safely at least once and score at least twice.

Evans Perry started on the mound for the Rams and was never in serious trouble. He gave way to Shorty Warren in the seventh although he was still going strong. Perry struck out 5 and allowed only six hits. Warren struckout 2 and allowed three safeties.

Dixon started for the Spuds but was driven from the mound in the third when the Rams crossed the plate seven times. Raymond Fleming came in to do the hurling then and pitched until the eighth when Haislip came on to toss a few. Fleming suffered a 9-run 5th inning. Haislip allowed three runs in the 8th.

Reid Bullock lead the 18-hit attack for the Rams as he slammed out a terrific triple and three singles in 6 trips. Perry had three singles for four trips while Shorty Warren had 3 for 5. Johnny Ross and Donald Everett each had 2 for 4. Fourteen base on balls and one hit batsman figured prominently in the 27-run total chalked up by the Rams.

Robert McClaren lead the Spud offensive with 3 singles for 4 trips to the plate. He also scored the two Spud tallies, as he came in twice on a double steal.

Although the Spuds trailed the entire game by a one-sided score, their sportsmanship and high spirits remained until the final out.
