Boy Scouts Report Their Activities

Eight scouts attended the meeting of Troop 29 last Wednesday evening. A deep sea fishing trip is planned for late this month or early October. Dewey Edwards was named as a committee of one to make a list of all who planned to go. Attention was called to the fact that with the beginning of school, scout meetings will be held every week instead of every other week as during the summer.

Ralph Parker was voted into the troop as a new member. Better attendance at the meetings is desired. Scribe William Manning, III.

Ten Churches To Hold Mission Week Services

Ten churches in this and adjoining counties will hold a series of Mission Week services in the Williamston Memorial Baptist Church, beginning September 20. It was announced this week by Associational Missionary Rev. C. W. Bazemore. The services here are a part of a series being held in the Roanoke district. A detailed program will be announced shortly, the minister said.

Boosters Offer Special Prizes

Williamston Boosters are offering their first weekly prizes, beginning today.

With each purchase or sales slip a farmer receives he will be given a copy of the weekly Booster advertisement. In the upper right hand corner is a number which will be matched by Boosters participating in the movement. If the number on the circular is presented and matched the master numbers held by the Booster the farmer is given prize merchandise.

Most of the merchants are participating and prizes valued at several hundreds dollars will be given away each week, it was announced.

Performs great...

To keep your car going great... make a date to OIL-PLATE with Conoco Nth Motor Oil! A special, added ingredient in Nth oil (Patented) fastens extra lubricant magnet-like to your engine's working parts. So strongly is this extra film attached to cylinder walls, it won't all drain down, even overnight!

That means your engine's fine-finished metal surfaces are extra-protected from corrosive combustion acids... from destructive "dry" friction starts. You're extra-protected, too, from power-clogging sludge and carbon. For great performance, full-time protection, more miles per quart, make a date for...

...an OIL-PLATE!
