

Womanless Wedding Is A Big Success In Hamilton

The Hamilton Parent-Teacher Association sponsored the "Womanless Wedding" given in the school auditorium Tuesday evening at 8 o'clock.

There were approximately three hundred people to enjoy the home talent cast. The stage was provided with an altar and the traditional candelabra with burning white tapers. Mr. Norman Everett, with his boutonniere of a most colorful and rosy collar, very graciously

ushered in the honorable H. S. Johnson, Jr., and his very charming wife, David Boyd, as Mr. and Mrs. Wheathearts, uncle and aunt of the bride. The audience was afraid that the refreshments would not last if each of the guests had an appetite like that of the bride's aunt. Surely we can not forget the consoling Miss Nosey Toadvine (Vernon Suits) and her constant care of the jilted sweetheart, Miss Ubika Scratchfeed played by Frank Everett. Mr. Stanley Ayers as the negro mammy, Aunt Hominy Grits, was sim-

ply splendid. Edgar Roberson was the little sister of the bride, that enjoyed her milk during the entire evening. Grandmother and Grandfather Rye were old in years but not in ideas. Mr. Frank Haislip and Mr. Joe Cherry were a charming pair. Everyone enjoyed the modern interpretation of "I Love You Truly" which was so beautifully rendered by the groom's dear friend, Kip Etheridge as Mr. Turnip Green. Mr. Alvin Everett walked very gracefully in his high heeled shoes. He apparently had no re-

Hassell Negro Home Club Held Meeting Last Friday

The Hassell Home Demonstration Club held its monthly meeting in the school lunch room Friday, March 11, 1949, with Vice President Vera Wynn in charge. After the devotional exercise an original poem was read "Lord Make Me Better To-day" by Club Secretary Pecola Pitt.

Reports on the following local insect control, 11 reporting; care of wells—covers for top, surround with hearth so water will not stand, clean the well, 8 reporting; 3 ladies reported new screening of windows begun; 8 others have plans for an early start; 101 quarts of meat canned, 5 members reporting.

The Home Agent gave a talk on citizenship, telling the members who is who in Martin County. How and when to start being a good citizen ending her talk with "It is right to do what is right."

The Club members served a nice repass of Fruit Salad, Ice Cream and Cake. Principal G. T. Hyman and teachers were present for the meeting.—Reported.

gets in losing his daughter. Mr. Clayton House, playing the part of the lovely maid of honor seemed very serious while his dear friend was being married. He probably was afraid his glasses would fall off. Mr. Whit Purvis wore a long pink flowing dinner dress with a picture hat of the same shade. Mr. Henry Haislip and Mr. Elwood Everett were two beautifully and becomingly gowned. We cannot forget the beautiful little train bearers, Mr. Pete Leggett and Mr. J. H. Harrell.

The male roles were very good also. Pete Roane with his ever-lighted tie was simply grand. He was Percy Birdseed, the best man. Herman Etheridge seemed very proud of his charming daughter, Tiny Oats but was very glad to get rid of her. Mr. D. G. Matthews, Sr., as minister pronounced them man and wife after many objections of the jilted sweetheart. The lively bride, Mr. Paul Hyman, and the handsome groom, Dick Hardison were finally united in comical wedlock. Bill Thomas, the little ring bearer, was there with a ring large enough to go around the bride.

The little flower girls, Kenneth Lewis, Ray Thomas, Paul Stevenson and Fred Holiday very graciously threw collard leaves along the bride's path.

(The same program is to be presented at the Williamston High School on Thursday, March 17 and in Oak City, Wednesday, March 16th.)

Several people from adjoining towns were contacted in regard to taking part in this wedding. Miss Nancy Worsley of Oak City graciously consented to act as our pianist. She made a very handsome young gentleman in her dark suit, straw hat, and bow tie.

After a most enjoyable performance candy, nuts, and drinks were sold in the hall. Everyone was cordially invited by our principal, Mr. George Haislip, to visit all of the rooms where the work of the students was displayed.

Reported by the seventh grade room, Mary Waldo House, reporter.

The Naval Ordnance Test Station, Inyokern, Calif., roughly equals the State of Rhode Island in size.

Spoilage of stored cottonseed is a serious problem to Southern cotton farmers and cottonseed-oil millers. In some years it costs them millions of dollars.

payment on or before the 11th day of March 1950 or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate settlement. This the 11th day of March, 1949. Mrs. Eula Coburn Administratrix.

Its Only Master is the Person at Its Wheel!
Illustration of a Cadillac car.
The 1949 CADILLAC, powered by its great new V-type, high-compression engine—knows no counterpart for over-all brilliance of performance.
From the standpoint of ability, smoothness and quickness of acceleration—it is a never-ending challenge to the imagination. Yet, in the hands of the person at its wheel, the 1949 Cadillac is as docile as a kitten!
Never before has a car so dynamic been under such certain and easy control. The big, powerful hydraulic brakes are completely dominant—yet they are as soft to the pedal as sponge rubber. A touch from the daintiest foot—and the car settles down to a quick and easy stop. A touch on the accelerator, and it moves quickly into any position its driver wishes to occupy. The big, slender steering wheel is feather-light in the hand—and quick and positive in its action.
Yes, the driver is boss in a Cadillac—and his word is unquestioned!
It's a great thrill to take command of such a car—as hundreds are learning every day. Why not come in and see for yourself? Regardless of the price class from which you expect your next car to come, you ought to be familiar with Cadillac. It is the final yardstick for measuring motor cars.
