

**News As Reported In The Enterprise Forty Years Ago**

JUNE 25, 1909

The news comes that ground was broken for the erection of two mammoth brick stores at Jamesville. Several months ago almost the entire business block of the town was burned. Samuel L. Wallace, one of the town's most substantial citizens, is having the buildings erected. They will probably be rented to different firms. Judge S. L. Ross had the honor of uniting Mr. John Parker, of Enfield, to Miss Millie Everett on Wednesday morning at 7 o'clock. The happy couple arrived in Robersonville in time to take the morning train for the home of the

groon, where they will spend their future.

Mr. J. H. D. Peel, a prosperous farmer of near Bear Grass had a horse killed by lightning recently. This is the third horse that he has lost in a year. His neighbors are helping him with his crop.

Miss Hester Mooring, and little sister, Callie, of Robersonville, are visiting in Stokes this week.

Little Elmer, the six year old son of Mr. and Mrs. C. James of Robersonville, is very ill with typhoid fever.

Miss Maggie Peel, of Hamilton, is visiting Misses Marie and Selma Perkins at their home in Robersonville.

Miss Virginia Bennett, of Oak City, spent some time with her cousin, Mrs. Lavina Harris at her home in Bear Grass.

John Cook, Jr., did a stunt Sunday rivaling "Speedy," the high diver. While up in the second story of his home, the little fellow decided to make the fall without the usual net to catch him. He landed safe and sound on the side of his face. Dr. Saunders found no bruises or bones broken. The soil was soft from the recent rains and yielded to his weight.

ENTERPRISE a few weeks ago. He is a hustling newsboy, and no doubt will meet with success.

Mr. Joe Cowing was so unfortunate as to fall and hurt himself very severely last week. Now he is suffering with a boil on his hand.

Miss Della Lanier spent Sunday at the home of Mr. Justus Everett at Palmyra.

Mr. Kader Crawford is at home after a visit to friends in Delaware.

Mr. W. H. Leggett is the champion onion raiser of the community.

Mrs. Wheeler Martin had on display at her home Monday evening a fine specimen of the night blooming cereus, one of the most magnificent flowers known to florists.

**To Take Refresher Course**

Mrs. W. K. Parker will leave Sunday for Durham where she will spend a week taking the Hans Barth refresher course for piano teachers.

**Side-dress CORN WITH Nitrogen**  
The North Carolina Extension Service recommends side-dressing corn with nitrogen, equal to—  
**375 to 500 pounds per acre of ARCADIAN\*** the American Nitrate of Soda or **300 to 400 pounds per acre of A-N-L†** (Ammonium-Nitrate-Limestone)

**D**ON'T LET your corn plants become yellow and starved from lack of nitrogen. Nitrogen starvation means low yields of corn produced at high cost. Side-dress with nitrogen now to keep your corn green and growing, vigorous and productive.  
When you use plenty of nitrogen, corn makes quick, vigorous growth . . . develops healthy, deep-green foliage . . . resists dry weather and produces abundant yields of low-cost, high-quality grain.  
See your fertilizer dealer today! Place your order for ARCADIAN, the American Nitrate of Soda, or A-N-L, for immediate delivery. Don't wait—you may be late! Side-dress corn now!
