Good Buy - all around

FRIENDS gather, look over that long bonnet and wish they had as much Fireball life as you have here. They size up the broad windshield and narrow corner posts—and don't have to be told how these things step up "see-power." They appraise the smart styling, the roomy interiors, the usability of luggage space—and agree you've made a buy. But don't stop, please, with letting them look. Invite them in and introduce them to some of the special pleasures you'll know as a Buick owner. Show them, for instance, how completely different Dynaflo Drive is, with every mile cushioned by flowing oil and none of the rigid harshness of direct-drive cars. Let them sample the matchless Buick ride, with all four wheels cradled on soft, coil springs and low-pressure tires made still easier-riding by extra-wide rims.
