Makes Great Impression

According to Drew Pearson, Frank Graham has made a great impression on Congress during the short time he has been there.

Pearson is quoted as saying about Graham:

Washington.—Senator Frank Graham of North Carolina, who has made as great an impression on Congress as any newcomer on Capital Hill; faces a tough reelection battle.

Furthermore, he gives so much of his money to charity that he has almost no funds with which to run a campaign.

Hoey, has opposed him.

Graham is opposed by ex-Senator Bob Reynolds, the isolationist, whose daughter inherited a fortune from Mrs. Evalyn Walsh McLean of Hope Diamond fame; and by Willis Smith, former president of the American Bar Association.

No one is running against Senator Hoey, who is expected to become an open Dixiecrat after the election.

Note: Secretary of the Army Gordon Gray, who will replace Graham as president of the University of North Carolina, is staying neutral in the North Carolina race but his family is backing Smith.

Fully Armed

If the United States was armed half as well as the Charlotte Baptist preacher was when he chose the topic, "Let's Talk About Sin," for his sermon, it is fairly certain we could whip the world and dust off ever so many of the heavenly planets.

The doctor or divinity started out:

"People spend eight times more hours at movies than at Sunday School; only one out of twelve persons in our country attends church; seven out of eight children quit both church and Sunday School attendance before they reach fifteen years of age; fifteen million 'sex' magazines are printed monthly and read by one third of the American people; there are more barmaids in this country than college girls; one million—One Million—American girls have venereal disease; 100,000 girls disappear every year into white slavery; one million illegitimate babies are born annually; there are almost a million illegal abortions performed annually; our nation harbors three times as many criminals as college students; a major crime is committed every 22 seconds; an aggravated assault or rape every hour; a murder every forty minutes; there are sixty suicides in our nation daily; two out of three adults, both men and women, smoke; three out of ten who start as light drinkers end up as drunkards; as a nation we spend about \$750 on pleasure, sins, cosmetics, and amusements to every dollar given to Foreign Missions. Read—pray—weep, as you consider America's dreadful spiritual plight."

Just Human Nature

The fellow charging the highest prices for his labors or wares is the same fellow who complains about the other fellow's high prices for his labors and wares.

And he who does the least for his fellowman is the same fellow who condemns others for not doing more for their fellowmen.
