

Green Wave Trips Columbia 19 To 1

Two Conference Games Remain; Two Exhibitions

Jack Ross Pitches Four-Hit Ball In First Appearance On Mound This Year

Led by a young sophomore who broke into the lineup for the first time this year, Williamston High School's Green Wave baseball team defeated a hapless Columbia nine, 19 to 1, in a seven inning game on the Williamston diamond yesterday afternoon.

Showing much promise as a pitcher and hitter in his freshman year, Jack Ross had been unable to play ball this year because of trouble with his knees but having gotten relief from his ailments he came back yesterday to pitch 4-hit ball, strike out 11 batters and get four hits in five times at bat, one of the bingles being a double. He was the only Williamston player to get more than one hit.

The Green Wave lost no time in getting down to business. They got only four hits in the first inning but they made them count, with the help of errors, walks and stolen bases for 9 runs. They were blanked in the second inning but came back in the third to score six runs and then pushed their total to 19 with four in the sixth inning.

Ross' wildness cost him the only run scored against him as he walked the first man up in the 4th inning, hit the next one with a pitched ball, struckout the third one but lost his scoreless game when the man he had walked scored on an infield out. He then walked another batter but closed the inning with a strikeout.

Lee Berry got half of Columbia's hits as he collected two for four.

Williamston now has won six of its eight games, losing only to Ahoskie and Hertford in early season games. They got revenge for the loss to Ahoskie and have an opportunity to turn the tables on Hertford tomorrow afternoon as they journey there for a return game. A game at Plymouth will close the 1950 Albemarle Conference schedule but there will be two games with Edenton on the

Soft Ball League To Operate Again

In a recent meeting of the Williamston Ministerial Association it was unanimously decided that a Church Softball League would be supported again this summer. The league was a decided success last year. Rev. John L. Goff was chosen to direct the program.

In a meeting last night in the office of the Dixie Motor Company the directors held their first meeting. Arrangements for playing time are to be handled by a committee headed by Homer Barnhill and a tentative schedule will be set up for a further meeting on Friday night at the same place. Much enthusiasm has been manifested over the prospects of the church league where young and old meet together in keen, friendly competition.

Because the local unit of the National Guard holds drills on Thursday night, a change from that night will have to be made this year. Last year the league played softball on Monday and Thursday nights.

The exhibition schedule, the first one at Edenton on May 9 and here in Williamston on May 11, the game here probably being scheduled at 8:00 p. m., the first night game of the season for the high school team.
